

***CURRICULUM VITAE***  
**SUSAN L. IVEY, MD, MHSA**

**CURRENT POSITION:** Professor, Adjunct  
Director of Research, Health Research for Action Center (HRA)  
Associate Director, Master's Curriculum, UCB/UCSF Joint Medical Program  
School of Public Health  
50 University Hall  
University of California, Berkeley  
Berkeley, CA 94720 - 7360  
Office Ph: 510-643-1883, Fax: 510-643-9792  
Email: [sivey@berkeley.edu](mailto:sivey@berkeley.edu)  
Web: <http://www.healthresearchforaction.org/>

**BOARD CERTIFICATION:**

**American Board of Family Practice**

July 13, 1984 - Diplomate # 40603; Recertified - 1991; 1998; 2005; extension for 10-year process (2012-2015); recertified – 2015 (2015-2025).

**American Board of Emergency Medicine**

June 14, 1991 - Diplomate # 881439, Recertified – 2002-2012

**STATE LICENSES:** California # C043335 (active); Utah license # 85-172569-1205 (inactive); Virginia #0101044761 (inactive); Pennsylvania #MD-044228-E (inactive); Georgia #023835 (inactive); Connecticut #024932 (expired)

**LICENSING EXAMINATIONS:**

Georgia State Board -June, 1981 -#290

FLEX - June, 1981 - #550102007

ECFMG - January, 1981 – Certificate #328-706-7

NBME Part I - June, 1979 - Pass

California SPEX and oral exam - June (written) and July (oral), 1995 -Pass

**FELLOWSHIP TRAINING:**

**Health Policy and Research**, School of Public Health, Health Policy and Research Post-doctoral Training Program. NIMH National Research Scholar Award, Post-doctoral fellow, University of California, Berkeley, 1995 - 1997

**RESIDENCY:** University of Connecticut, Dept. of **Family Medicine**, Farmington, CT.  
St. Francis Hospital & Hartford Hospital, Hartford, CT. Family Medicine, completed 1984.

**INTERNSHIP:** Mt. Sinai Hospital, Hartford, CT (affiliated with the University of Connecticut).  
**Internal Medicine**, completed 1982.

**EDUCATION: Master's Health Services Administration (MHSA), May, 1995.**

The George Washington University, School of Business and Public Management, Department of Health Services Management and Policy, Foci - Health Policy and Acute Care Services.

**Doctor of Medicine (MD)** - July, 1981. St. Georges University School of Medicine, Grenada, West Indies. Third year clinical clerkships and 4<sup>th</sup> year electives with US medical school faculty (MS3 at Univ. Connecticut, Hartford, CT.)

Undergraduate: **BS/BA - Biological Sciences/Chemistry** - University of California, Irvine –June, 1977; **BA - Psychology**, University of Southern California – May, 1975.

**AWARDS/HONORS:**

1995-1997	NIMH Post-doctoral fellowship, University of California, Berkeley
1994-1999	AMWA Master Faculty, Coronary Artery Disease in Women
2004	Thesis Support and Mentorship award, UCB-UCSF Joint Medical Program
2004	Service award, South Asian Public Health Association
2007	Bertha Van Hoosen award (service), American Medical Women's Association
2008	Research Mentor award, UCB-UCSF Joint Medical Program
2008	Distinguished Teaching and Mentoring award, UCB School of Public Health
2010	Establishment of Susan L. Ivey Courage to Lead Award by the American Medical Women's Association (original recipient)
2011/2013	Gelfand Lecture scholar, Phi Delta Epsilon pre-medical fraternity, UC Berkeley Iota chapter. April, 2011; November, 2013.
2012	Faces of AMWA, Women in Medicine month: <a href="http://www.amwa-doc.org/faces-of-amwa/">www.amwa-doc.org/faces-of-amwa/</a>
2014	UC Berkeley School of Public Health Award for Teaching Excellence, Spring 2014
2015	UC Berkeley School of Public Health Award for Teaching Excellence, Fall 2014
2015	UC Berkeley School of Public Health Award for Teaching Excellence, Spring 2015

Presentation: **Ivey, SL**. "Cardiovascular Health in Asian Indians (CHAI): A survey." CDC Chronic Disease meeting, February 21, 2003. St Louis, MO.

Presentation: **Ivey, SL**. "Women, Aging and Wellness: Obesity in Women." as part of a panel. Annual AMWA meeting, January 25, 2003. Atlanta GA.

Presentation: **Ivey, SL**, Srinivasan, S, and Greenlund, K. "Investigating cardiovascular risks in Asian Indians using community based research methods". Panel presentation. APHA annual meeting, October 21, 2001. Atlanta, GA.

Presentation: **Ivey, SL**. "Cardiovascular Risks of Obesity and Implications for Food Policy". California Nutrition Council Annual Meeting, 2001. Berkeley, CA. October 3, 2001.

Presentation: **Ivey, SL**. “Diabetes Surveillance in Minority Populations.” Panel presentation at CDC Diabetes Translation Conference, May 1, 2001. Seattle, WA. Ivey: “Use of the BRFSS for Diabetes Surveillance in Minority Populations.”

Presentation: **Ivey, SL**. “Physicians returning to graduate school”. American Medical Women’s Association, Annual Meeting. Nov. 12, 1999. San Francisco, CA.

Presentation: Co-presenters – **Ivey, SL**, and Kramer, E. “Immigrant Women’s Mental Health”. American Medical Women’s Association. Annual Meeting. Nov. 12, 1999. San Francisco, CA.

Presentation: **Ivey, SL**. “Women and Cardiac Disease”. American Association of Physician Specialists, national meeting. June 12, 1999. San Diego, CA.

Presentation: **Ivey, SL**. “Women and Cardiac Disease”. American Academy of Family Physicians. Annual Meeting. September, 1997. Chicago, IL.

Presentation: **Ivey, SL**. “Collaboration and Partnering for Evaluation of a community outreach worker project in Solano County, CA.” Health Professions Schools in Service to the Nation conference, April 28, 1997, SF, CA.

Presentation: **Ivey, SL**. “Universal Access: A comparative approach.” Colorado Medical Society/Women in Medicine group, April 19, 1997. Denver, CO.

Presentation: **Ivey, SL**. “Managed care incentives for collaboration in the delivery of mental health services.” Annual meeting California Psychological Association, April 5, 1997, San Jose, CA.

Presentation: **Ivey, SL**. “Access to Health Care: Ethical and Legal aspects.” Annual meeting of the American Medical Women’s Association, Boston, MA, Nov. 1-4, 1996.

Presentation: **Ivey, SL**. “Multicultural aspects of Cardiovascular Disease in Women.” Region IX meeting of the American Medical Women’s Association, Sept., 1996, San Francisco, CA.

Presentation: **Ivey, SL**. “Medicaid state block grants: Impact on women and children.” January, 1996, for the Board of the American Medical Women’s Assn., Wash, D.C.

Presentation: **Ivey, SL**. “Coronary Artery Disease in Women: Diagnosis and Treatment.” Branch 30 (SF Bay), American Medical Women’s Association. San Francisco, California, May, 1995.

Abstract: Tseng, W, **Ivey, SL**, and Graham, C. “Healthy Aging in Asian American Communities.” APHA annual meeting, 2006.

Abstract accepted: **Ivey, SL**. Engaging communities in disaster preparedness. APHA national meeting (panel session). (meeting moved to December, 2005; withdrawn due to timing post-Katrina)

Abstract: Mukherjea A, **Ivey SL**, Moskowitz J. Tobacco product usage among Asian Indians. APHA national meeting, San Francisco, CA. November 17<sup>th</sup>, 2003. (poster session).

Abstracts: **Ivey, SL**. “Cardiovascular Health in Asian Indians (CHAI): A survey” (presentation); And “Using Environmental Measures to assess Barriers to Physical Activity” (roundtable). CDC Chronic Disease Meeting, 2003.

Abstract: **Ivey, SL**. “Forging connections with local Asian American communities: a key need in planning health promotions”. Poster Session. CDC Strategic Alliances meeting, 2001.

Abstracts: **Ivey, SL**, and Zazzali, J. “Mental Health Workforce and Managed Care.” And Branas, C, and **Ivey, SL**. “Prudent Layperson Laws and Emergency Department Utilization”. AHSR meeting, June, 1998.

#### **GRANT EXPERIENCE/FUNDING:**

“Understanding barriers to colorectal cancer screening among South Asians in San Francisco Bay Area.” (CDC SIP, funded 2014-2016)

“Joint Venture Health: Implementation of Pediatric Developmental Screening Guidelines.” (First 5 Commission SF, California Pacific Medical Center Fndn, funded 2015-2016)

“Literature Review on Implementation of Pediatric Developmental Screening Guidelines” (First 5 Commission SF, funded 2014).

“Korean Health Needs Assessment.” (Korean Community Center East Bay funded 2013-2014).

“An Evaluation of the Kalmanowitz Child Development Center’s Feeding Clinic.” (CPMC Foundation, funded 2013 – 2014)

“Lead Prevention in Workers: Evaluation of OLPPP’s lead prevention materials.” (OLPPP, California DPH, funded 2012-2013).

“All Hazards Emergency Preparedness Communication for Vulnerable Populations” (CDC, originally funded 2009-2013, revised funding to Year 4 due to CDC funding cuts to PERRC program).

“Right Care Initiative – California’s Cardiovascular and Diabetes Coalition.”(Funded OPA, NIH (UCLA), and others, 2009-2014).

“Patient-Related Care to Reduce Diabetes Disparities in Chinese project” (NINR funded 2008-2010, Admin Suppl for students -2009-1010).

“Medi-Cal Access Project” (California DHCS funded 2006-2011).

“CDC Healthy Aging Network” SIP renewal and addendum. (CDC funded, 2001-2014).

“CDC/HAN Healthy Brain project.” (CDC funded 2005-2006; Second special interest project funded 2006-2009 as sub-award with University of South Carolina, SIP 8-06).

“Environmental Factors and Physical Activity among older adults.” (RWJF Active Living, funded, 2005-2007).

“Preventing disparities in diabetes risks with physical activity.” (with UCSF (Stewart) and Berkeley Health Department) (NIDDK, funded, 2005-2007).

“Planning grant: Planning for Hypertension services in South & West Berkeley.” (California Endowment, funded, with S&W Berkeley Health Forum and Lifelong Medical Clinic, 2004).

“Use of Emerging Tobacco products among South Asians.” (TRDRP, not funded, 2004; Resubmitted by Mukherjea for student research funding, AANCART funded, 2007-2010).

“Mind-Body connections in Childhood Disease: Socioeconomic Disparities, Stress, and the Parental “Mapping” of Danger: A Multi-Level Examination of Childhood Overweight.” (NIMH, funded, 2004-2006).

“Hospital to Home: Strategic Needs Assessment of Transitional Care needs in the SF Bay Area” (Gordon and Betty Moore Foundation, funded 2004-2006).

“Parental Mapping of Danger and Child Obesity.” (Mini-grant from RWJ, funded, 2003-2008).

“The Farm Fresh Choice program.” (USDA, funded with Ecology Center, 2003).

“Behavioral Risks in Heart Disease T32 Training grant.” 2003 (NHLBI, approved, not funded).

“Child Obesity Prevention Intervention evaluation.” (State DHS, funded, 3 years 2002-2005).

“Network Centers on Healthy Aging” renewal and addendum. (CDC, both funded 2002).

“Network Centers on Healthy Aging.” CDC SIP 5-01. (CDC funded, 2001; 2002; 2003).

“Assessing CVD risks among Asian Indian populations: renewal application”. (CDC SIP 1-99, 1999; funded 2<sup>nd</sup> year and 3<sup>rd</sup> year through 2002).

“Fatness, Fitness and Cardiovascular Morbidity and Risk: A reanalysis of CARDIA data.” (CDC approved, not funded, 2000).

“Use of the OSHPD database to Assess Race and Gender Differences in Hospitalizations for Ischemic Heart Diseases in California.” (CPAC, funded, with UCSF, 2000).

“Assessing CVD risks among Asian Indian populations”. (CDC, funded 1<sup>st</sup> year, 1999).

“Women’s Cardiovascular Health Network: renewal application”. (CDC, funded, 1998).

“Use of the BRFSS for surveillance of diabetes mellitus in minority groups”. (ASPH, funded, 2 years, 1998-1999).

“Prevention of Cardiovascular Disease in Women”. (CDC, funded, 1997-1999).

“Prevention of Teen Pregnancy: Understanding Behavior”. (CDC, approved, not funded, 1997).

“Collection and transfer of HMO utilization data from Solano County Partnership Health Plan.” (RWJF mini-grant, funded, 1997).

2 grants: “Improving services and outcomes for pregnant teens in Prince William County, VA: A mentoring approach”. Unitarian Universalist Association. Funded daycare stipends to support high school completion, mentoring projects with lay resource mothers and development of school-based daycare setting. 1994. (UUA, funded, 1994-1995).

## **TEACHING EXPERIENCE:**

Professor, Adjunct, **School of Public Health, University of California, Berkeley**, Department of Community Health and Human Development. Associate level 2003 – 2014, Full Professor 2014 to present. Courses: Introduction to Health Policy. Co-instructor: Paul Newacheck, DrPH, Institute for Health Policy Studies, UCSF (1997-2001). Behavioral Risks for Heart Disease seminar for NHLBI training grant pre-doctoral and post-doctoral awardees (2000-2004). Problem-Based Learning curriculum for 3<sup>rd</sup> year medical students (2004 – 2005; 2014-2016). Master’s research seminar (HMS 261) for MS-1 students in the joint MD/MS program (2002-2009). Doctoral Seminar for 3<sup>rd</sup> year DrPH students (2009). Thesis Work Group seminar (HMS 264) for 2<sup>nd</sup>-3<sup>rd</sup> year students in joint MD/MS program (2010-2016) – current seminar focuses on use of mixed methods in Master’s research projects. Also lectured in the Inter-disciplinary Master’s curriculum on mixed methods and advised MPH students who are also medical students (Miranda 2013-2014 (UCSF); Thompson 2012-2013 (Stanford)). Advise public health and medical students in the Master’s program (2000-present). Thesis advisor, thesis committee member for medical students in Master’s program (2001-present). Thesis chair for medical students in Master’s program (2005-present). Doctoral Committee for DrPH student – (Mukherjea, 2008-2010). Teach undergraduates in Undergraduate Research Apprenticeship Program – 2008-2015. New course for School of Public Health: Asian American Health Disparities (Fall, 2010) – co-instructor with Dr. Winston Tseng. Creation of a Problem-Based Learning approach to teaching Cardiovascular Prevention to MPH/MD students (case creation funded by OPA – 2012).

Assistant Clinical Professor, **Joint Medical Program, UCSF/UCB. Health and Medical Science Division**. 2001-2003. Instructor, JMP, 1997-2000.

Instructor, School of Public Health, University of California, Berkeley. 2000 - 2004.

**Co-director, Behavioral Risks for Heart Disease T32 NHLBI training program for pre-doctoral and post-doctoral awardees.** Training grant PI: Leonard Syme, PhD, Professor Emeritus, School of Public Health. Co-instructors: S. Leonard Syme, PhD, David Ragland, PhD. 2000-2004.

Teaching of UCB graduate students and fellows, Department of Health Policy and Research: “Designing an Evaluation for a Medicaid Managed Care project involving lay outreach workers,” April, 1997; “COBRA/EMTALA: Incremental Expansions in Access to Medical Care,” March, 1997; “Mental Health Workforce under Managed Care,” Feb., 1997.

Appointment as **adjunct assistant clinical professor at UCSF** – 1999 – 2006.

Appointment as AMWA Master Faculty, Coronary Artery Disease in Women - 1994 – 1999. Workshops for physicians and medical students.

Teaching of paramedics, EMT’s, nursing and health personnel in CQI -1992 - 1994.

Teaching of Nurse Practitioner students from George Mason University, 1993-94 (emergency medicine rotation).

Teaching of a course on “Dealing with Difficult Patients” for Emergency Department personnel, Prince William Hospital, July, 1994. With Dr. Elizabeth Grizzard, Ed.D.

Teaching of internal medicine and family practice residents at LDS Hospital and Holy Cross Jordan Valley Hospital, affiliates, University of Utah, 1985-1989, including teaching ACLS.

Teaching attending, Emergency Medicine, John Dempsey Hospital, Farmington, CT, the teaching hospital for the University of Connecticut School of Medicine, 1984-85.

Teaching of medical students and residents while PGY-3, University of Connecticut Medical Center, including teaching as part of the first year medical school curriculum, Introduction to Clinical Skills, 1980-81.

Teaching assistant - for first year medical students, Psychology, St. Georges University School of Medicine, 1977-78.

## **CLINICAL POSITION HISTORY:**

City of Berkeley Public Health Department – 2002 - present. Medical Director: sexually transmitted infections clinic, family planning clinic, high school health center (BHS); disaster, SNS, and influenza epidemic planning for the City of Berkeley, including bioterrorism preparedness (2005-2007), tuberculosis clinic (2002-2007), jail inspection (2011-2013). Guided EHR implementation at all clinics – 2013-2014 (NextGen); meaningful use stage 1 completion (earned bonuses 2014, 2015 cycles).

Volunteer physician, Suitcase Clinics. 2000- 2001. Provided free clinic services at churches and at the women's shelter in Berkeley, CA. Acted as clinical faculty supervising medical students and delivering free patient care.

Bay Valley Medical Group, Danville, CA - 1998 - 1999. Urgent care practice in the context of a multi-specialty primary care practice. Developed and opened new site, teaming family practice & urgent care practice in one facility. Implemented extended hours, "just in time" appointments.

California Emergency Physicians. Oakland, CA. 1996-1998. Practice site: Delta Memorial Hospital, Antioch, CA.

LDS Hospital, Instacare Division, Salt Lake City, Utah (an IHC facility). Locum tenens. 1995-97.

Southeast Emergency Services, Salt Lake City, Utah. Locum Tenens. 1994-1995.

Potomac Hospital, Woodbridge, VA - May, 1990 - August, 1994. Manager/designer, Fast-Track Section, 1991- 1994. CQI director, 1992-94, led and facilitated teams for the ED, interfaced ED providers with county EMS providers, member ED task force committee- 1992-93, developed data for CON for expansion of ED. Conducted hospital-based research for process improvement. Participated in county disaster training exercises as part of National Capital Area exercises.

Urgent Medical Care of Lakeridge, Woodbridge, Va. -P.T.-1990-95. Urgent and primary care, including occupational health contracts with DOT. Assisted medical director with QA.

Holy Cross Jordan Valley Hospital, West Jordan, Utah - F.T. - 1985 - 1989. Member, ICU committee - 1988-89; wrote and implemented coronary thrombolysis protocols.

L.D.S. Hospital, Salt Lake City, Utah, P.T, 1985 – 1988. Emergency physician in a Level I trauma center, teaching facility – Teaching Attending.

Manchester Memorial Hospital, Manchester, CT - F.T. - 1984 - 1985. Emergency Medicine.

John Dempsey Hospital, University of Connecticut Medical Center - P.T. -1984 – 1985. Emergency Medicine, Teaching Attending.

Pediatric Floor Coverage - St. Francis Hospital, Hartford, CT, worked as night resident approximately 40 hours/month (1983-84). Responsible for evaluating all pediatric admissions from the Emergency Department and for all pediatric in-patients, included 4- bed pediatric ICU.

#### **OTHER RELATED EMPLOYMENT:**

Lecturer/consultant – Cardiovascular Health, Women's Health, Minority Health, Evaluation of Interventions for Older Adults after Hospital Discharge - 1995 - 2009.

Community Technical Assistance Program, American Medical Student Association, Physician Recruitment and Health Education in a Rural Health Initiative Clinic, Rockford, AL - 1979.

## **RESEARCH EXPERIENCE:**

**Health Disparities research, health services research, and health policy research** with special foci: **Diabetes Care** (Chinese); **Colorectal cancer screening** (South Asian); Work-based lead exposure (Latino); **Uninsurance/Access to health care:** impacts on the indigent, utilization of ED services, access to care for underserved including immigrants; **Medicaid Managed Care** (including seniors and persons with disabilities), managed care to expand access, evaluation of Medicaid interventions and 1115 waivers; **Healthcare workforce issues:** physician, nursing, mental health workforces, diversity in the medical workforce, cultural competence of the workforce, public health preparedness for the PH workforce and lay persons; **Cardiovascular Risk and Disparities in Minorities, Immigrants, and Women;** Obesity Prevention (adults and children); Diabetes interventions in FQHCs; **Enhancing available data on women, minorities, and immigrants;** **Healthy Aging:** Physical Activity in Older Americans, Hospital to Home Transitions, Maintaining Brain Health, Association of built environment with walking, planning a national agenda in aging, post-discharge care for older adults; **Community-based intervention research and evaluation:** use of outreach workers, community capacity building and involvement, CVD risk factor assessment in South Asians, demonstration projects in prevention of CVD, prevention of low birth weight, increasing access to fresh produce in low-income communities. Increasing uptake of cardioprotective medications in medical groups through **physician collaboratives. Preparedness** and resilience in Deaf and Senior communities.

**Master's thesis:** Use of Statistical Monitoring of Flow Process in the emergency department for improvement (**CQI**) of processes in the ED and ED/EMS systems. Faculty Advisor, Kurt Darr, JD, Sc.D., of The George Washington University, Department of Health Services Management and Policy, 1992-94.

**Pharmaceutical research,** anti-viral compounds, elucidation of chemical structure using high-pressure liquid chromatography and gas-liquid chromatography - 1976 -77, Newport Pharmaceuticals, Newport Beach, California. Follow development of one of the earliest anti-viral compounds in NDA and IND process in phase 1 and 2.

## **MEDICAL ORGANIZATIONS:**

**American Medical Women's Association,** Member (1984-present); Offices held: Governance Committee (2012); Finance Committee (2010); Director At Large (2009-2011); Immediate Past President (2007); President (2006); President Elect (2005); Vice President, Communication (2004 – 2005); Vice President, Program (2002-2004); Board of Directors (2002-2008 and 2010-2012); Finance Committee (2010); Advisory Committee, Reproductive Health Initiative (2004-2005); Leadership committee (1999-2000); Chair, Program committee (1999); Chair, Governmental Affairs (1996-98); Publications Committee (1996-1999, 2004-2005); Subcommittee on Medicaid and State Block Grants - 1996; State Director for California, 1995-2002.
