The Ford Foundation, New Delhi, India

Current Research Interests (see Publications):

Community based participatory research; empowering community- based interventions for marginalized youth and other groups; community engagement and environmental health policy; community-engagement in global health; community approaches to healthy retail and community re-entry; theories of community organizing and community building; ethical issues in community health research

University Service (selected)

Governing Board, Center for Collaborative Research for an Equitable California
Faculty consultant, CalCorps
Chair, Faculty Network for Community-based Participatory Research
Executive Committee, Academic Geriatric Resource Program (UCB) 1998-2012
Co-chair, Faculty Policy Committee on Academic Service Learning, 1997-2007
Asst. to the Vice Chancellor for National and Community Service 2003-2004

Co-chair, Chancellor's Community Service Awards, 2001-2003
Member, UC Systemwide Committee for the Development of a Health Education Institute. 2000-2003
Member, UC Systemwide Health Sciences Education Committee 1997-2000
Member, University Welfare Committee, 1999-2001
Member, UC Systemwide Committee on Academic Service Learning, 1999-2001
Faculty Advisory Committee, Disability Studies Program and Ed Roberts Postdoctoral Fellowship Program in Disability
Member, Advisory Committee, Human Rights Center, 1999-present
Member, Campus Task Force on Community Service, 1999-2000
Chair, Chancellor's Human Corps Awards Committee 1998-1999, and Co-Chair, 1997-1998; 1999-2000, 2001-2003.
Chair, Multicultural Concerns Committee 1999-2000 and 2004-2006

Professional Memberships and Consultantships (selected):

Advisory Committee, SF Office of Economic and Workforce Development, San Francisco Healthy Retail Program
Member, Alameda County Coalition for Criminal Justice Reform
Research consultant, Safe Return Project, Richmond, CA
Consultant, Prodigal Sons of West Oakland
Senior Research consultant, PolicyLink, Inc.
Consultant, Community Partners
National Advisory Committee, Kellogg Community Health Scholars Program
Consultant, Center for Collaborative Partnerships
Consultant, University of New Mexico (NARCH project)
Consultant, California Wellness Foundation (Healthy Aging)
Consultant, Campus Community Partnerships for Health (engaged scholarship)
Consultant, RAND Corp, (CBPR)
Fellow, Wellesley Central Health Corp, Toronto
Chair, CDC Extramural review panel, CBPR,
National Advisory Committee, Community Health Scholars Program
Board of Directors, Selam Foundation
Technical Expert Advisory Group, RTI/UNC Center for Evidence-Based Public Health (CBPR)
Consultant, U.S. Administration on Aging (Grandparent caregiving)
Consultant, The California Endowment (community partnerships)
Advisory Committee, Research & Training Center in Public Policy and Independent Living, World Institute for Disability
Editorial Consultant, International Journal of Health Services
Editorial Board, Action Research
Editorial Board, Health Education and Behavior
Editorial Board, Progress in Community Partnerships
Editorial Board, Journal of Community Practice
Consultant, National Women's Political Caucus
Consultant, Workshop on China's Policies on Aging, East West

Population Institute, Honolulu, Hawaii.
Governing Council, APHA
Consultant, Western Consortium for Public Health/USAID to the Ministry of Health, Myanmar, Burma
Faculty, Institute for the Study of Human Knowledge
Health Policy Advisory Committee, The W.K. Kellogg Foundation
Consultant, Health Promotion Directorate, Quebec, British Columbia and Manitoba Canada
Consultant, American Institutes for Research, Palo Alto, California
Co-chair, Public Policy Committee, American Society on Aging
Board of Directors, California Council on Geriatrics and Gerontology
Co-Chair, Committee on Research, Western Gerontological Society
National Nominating Committee, Society for Public Health Education
Consultant, White House Conference on Aging Technical Committee on Health Maintenance and Health Promotion
Editor, Social Health Section, American Journal of Health Promotion
Editorial Board, Health Education and behavior, Journal of Community Practice, Progress in Community Partnerships
Consultant, W.K. Kellogg Foundation
Consultant, The Levi Strauss Foundation (Health Equity)
Consultant, Ford Foundation, Islamabad, Pakistan (Family Planning)
Consultant, The Pathfinder Fund, Tamil Nadu, India and Beirut, Lebanon
Consultant, San Francisco Family Planning Council

Honors and Awards:

Tisch Award for Civic Engagement in Research, 2013
Outstanding Mentor Award, Society for Public Health Education, 2013
Singer Award for Community Leadership, LifeLong Med. Care, 2012
Paul Harris Fellowship, Rotary International, No. CA, 2010
Chancellor's Award for Research in the Public Interest, 2010
Godfrey M. Hochbaum Distinguished Lecture, Chapel Hill, UNC, 2010
Finalist, UC Berkeley Distinguished Teaching Award, 2009
Finalist, ASPH Distinguished Teaching Award, 2009
Thomas Bruce Award, Community –Based Public Health Caucus, American Public Health Association (co-recipient), 2008
Paper of the Year Award, 2007, Health Promotion Practice (co-recipient)
International Pratt Fellow, Melbourne, Australia, 2006

Current and selected recent grant support

PENDING

Partnering to decrease EVD exposure and build long term sustainability
(Mehtar, PI) Infection Control Africa Network)
CDC

Minkler, Co-Investigator

\$1,600,000

The major goal of this project is to deploy and test a new multi modal approach to Ebola in West

Africa to reduce transmission, strengthen surveillance and reporting systems to reflect the effectiveness of IPC programs and their outcomes; strengthen workforce knowledge and support by reducing occupationally acquired infection; and, strengthen health communications by involving the community.

Prodigal Sons of Alameda County
 (Perkins PI)
 City agencies of Alameda County and The
 California Endowment
 Minkler, lead evaluator

\$660,000

The major goal of this project is to develop and test participatory research intervention with West Oakland men aged 18-59 to help them reconnect with families, communities, and their lives while earning a living as community researchers and studying the personal and social determinants of factors contributing to the marginalization of African American men.

ACTIVE

Healthy Retail as a tobacco Control strategy: A CBPR study of Collective Impact in San Francisco
 (Minkler PI)

Tobacco Related Disease Research Program

12/1/14-11/30/17

\$500,000

To support, expand and evaluate healthy retail as a tobacco control strategy in SF's Tenderloin. To further conduct a multi-method case study assessment of the Tenderloin Health Corner Stores Coalition and its contribution to the passage of city wide legislation supporting healthy retail in low income neighborhoods

Alameda County Network Program for
 Reducing Cancer Disparities

1U54CA152506-01 (Bloom PI)

9/2/2010 – 8/31/2015 0.08 summer month

NIH National Cancer Institute

(\$717,675)

The major goals of this project are to utilize community-based participatory research in working with the African American and Afghan communities of Alameda County to help detect barriers to, and develop improved practices for, improving cancer screening, as well as early diagnosis and treatment, to help reduce cancer disparities.

10/1/2013 – 12/30/2014

The California Senior Leaders Program: Honoring and training exceptional older volunteers in healthy aging and community building, and building a sustainable future

The California Wellness Foundation

Minkler, PI

10/01/13 – 06/30/15

035816-003

\$235,000

The major goal of this project is to support the California Senior Leaders Program, a 12 year old program

of the School of Public Health to recognize and train senior leaders from across California and evaluate outcomes.

Recent

Children's Center for Environmental Health Research

NIH NIEHS / EPA

2P01ES009605-11/RD-83451301

Eskenazi, PI

8/1/2009-

7/31/2014

NIH NIEHS / EPA

\$524,286

(Minkler: Director, COTC)

20111187 (Minkler)

11/1/10 – 3/31/13

Pangaea Global AIDS Foundation \$48,475

Community-Based Participatory

Research to Address Late HIV

Diagnosis in Oakland

The major goals of this project were to uncover individual and structural barriers to early detection of HIV: improve the accessibility of county and statewide HIV testing and AIDS case data available to local communities to improve their understanding and improve programming; to engage community and other stakeholder in reviewing findings and devising promising programmatic and policy strategies to increase early HIV detection and diagnosis.

20081324 (Minkler)

7/1/08-8/30/2013 1.08 summer

The California Endowment

\$162,000

Advancing Community-Based Participatory

Research as a Strategy for Policy and Systems

Change: Bringing Place-based Work to Scale

The major goal of this project was to assess statewide capacity and highlight promising practices for community-based participatory research as a strategy for engaging communities in reducing health disparities in California through a focus on policy and systems change.

20131996 (Minkler)

4/1/2013-5/31/2014

Atlantic Philanthropies

\$50,000

Promoting Elder Advocacy through the

California Senior Leaders Alliance

The major goal of this project is to support the development of the advocacy component of the California Senior Leaders Alliance, a diverse, grassroots coalition of older activists in California working to support policies in support of elders and their families throughout the state.

R21 OH009081 (Minkler, PI)

NIOSH.CDC

Worker health and safety in Chinatown restaurants: An ecological study
.45 mo. academic

9/1/07- 8/31/11
\$275,000

The major goal of this project was to conduct an ecological CBPR study of 400 restaurant workers and to develop and test a new observational tool for exploring restaurant conditions in Chinatown's 108 restaurants from the perspective of worker health and safety. Findings were then to be used, if appropriate, to help support policy changes that could improve the conditions for restaurant workers in San Francisco.

Selected Invited Presentations 1990-present

Community-engaged research and practice for health equity: Roots, principles and applications. Portland State University, School of Community Health, November 19, 2015.

Preparing for the next Ebola: A community-engaged approach to infection prevention and control. Presentation to APHA, Chicago, IL. November 3, 2015.

Community-engaged health disparities research in health and health care Presentation for Case Western University Medical School, Cleveland, OH, Oct 6, 2015

Healthy Retail as a Strategy for Tobacco Control Presentation for the State and Community Tobacco Research Initiative meeting, San Diego, CA, Sept 17, 2015

The utility of community-engaged research for studying and addressing health disparities. Keynote address, Health Disparities Student Summit, Charles R Drew University of Medicine and Science, July 17, 2015, Los Angeles, CA

Convocation Speaker, MPH Program, San Jose State University. June 2015

Marais, F and Minkler, M Building Healthy Communities through community-based participatory research, action and evaluation approaches – an innovative short course. ALARA 9th Action Learning and Action Research and 13th Participatory Action Research World Congress. Centurion, South Africa. November 2015.

Community-based participatory research and policy advocacy. Plenary panel, Symposium on Epigenetics and CBPR, University of Michigan CIAHD Research Training and Education Core, Detroit, MI, May 15, 2014

From Rhetoric to Reality: Principles of participation Opening plenary “talk show,” Community-Campus Partnerships for Health Annual Meeting, Chicago, IL, May 1, 2014

An overview of community-based participatory research. CRIBS ITS Training, California Breast Cancer Research Program, Preservation Hall, Oakland, CA, Jan. 20, 2012.

The ultimate form of translational research: The value of CBPR for dissemination & translation of research in multiple contexts. American Public Health Association Annual Meeting, Washington DC, Oct. 31, 2011.

In praise of community partners: The role of community-engaged research in promoting healthy public policy. Department of Community Health & Office of Community Engagement, University of South Florida, Tampa, FL, Sept. 30, 2011.

Engaging communities in CBPR for environmental justice: What's the value added? Alert Meeting, UCLA, Los Angeles, CA, April 16, 2010.

Bidirectional T2 translational research to decrease health disparities over the lifespan: The value added through community engagement. Opening plenary, TraCS Institute Symposium on translational research to reduce health disparities, UNC, Chapel Hill, March 19, 2010.

Partnering with communities to promote healthy public policy. Godfrey M. Hochbaum Distinguished Lecture, UNC, Chapel Hill, March 18, 2010.

CBPR with immigrant workers: An ecological study of restaurant worker health and safety in San Francisco's Chinatown District. Presentation at TraCS Institute Symposium, UNC, Chapel Hill, March 19, 2010.

Environmental health policy in communities: Growing sustainable change. NIH symposium at the annual meeting of the American Association for the Advancement of Science. San Diego, CA, Feb. 20, 2010.

CBPR: When academic/research institutions meet the real world: NIH Special presentation to the American Sociological Association, San Francisco, CA, August 10, 2009.

The intersections of science, practice and policy: A community based participatory research perspective. Plenary panel at the NIH Summit on Health Disparities Research, National Harbor, MD. Dec 16-18, 2008.

Bidirectional T2 translational research to decrease health disparities over the lifespan: The value added through community engagement. Opening plenary, TraCS Institute Symposium on translational research to reduce health disparities, UNC, Chapel Hill, March 19, 2010

Partnering with communities to promote healthy public policy. Godfrey M. Hochbaum Distinguished Lecture, UNC, Chapel Hill, March 18, 2010

CBPR with immigrant workers: An ecological study of restaurant worker health and safety in San Francisco's Chinatown District. Presentation at TraCS Institute Symposium, UNC, Chapel Hill, March 19, 2010

Environmental health policy in communities: Growing sustainable change. NIH symposium at the annual meeting of the American Association for the Advancement of Science. Feb. 20, 2010

The intersections of science, practice and policy: A community based participatory research perspective. Plenary panel at the NIH Summit on Health Disparities Research, National Harbor, MD. Dec 16-18, 2008.

“Collaborative research with communities: Challenges and opportunities for addressing health disparities. Case Center for Reducing Health Disparities” Cleveland, OH Oct. 15, 2008.

“Participatory research with clinicians, patients and communities” Grand Rounds, School of Medicine and MetroHealth, Case Western Reserve University, Cleveland, OH Oct. 16, 2008.

“Moving from data analysis with communities to impacting on policy through CBPR” Continuing Education Institute, Amer. Public Health Association, San Diego, CA Oct. 25, 2008.

Research with immigrant worker populations: Restaurant workers in San Francisco Chinatown. COEH Conference on Immigrant Workers and Occupational Injury and Illness. Oakland, CA April 18, 2008.

“Strengthening community partners’ capacity to have an impact on policy.” Presentation to the Kellogg Community Health Scholars Program, Feb. 7, 2007, Chapel Hill, UNC.

“Community based research: Value added and challenges faced” Plenary presentation to the Women and Children’s Research Institute Conference, Edmonton, Alberta, Sept. 19, 2007.

Fuller-Thomson, E., & Minkler, M. (2007). *Grandfathers raising grandchildren in the USA: Who are they?* Paper presented at the annual meeting of the Gerontological Society of America, San Francisco. November 2007.

Fuller-Thomson, E., Minkler, M., & Guralnik, J. M. (2007). *The Hispanic paradox and older adults’ disabilities: Is there a healthy migrant effect?* Paper presented at the annual meeting of the Gerontological Society of America, San Francisco. November 2007.

“Developing a CBPR partnership with Chinatown restaurant workers: Lessons from the beginning of the story” Presentation to the annual meeting of the American Public Health Association, October, 2007

“Grandfathers raising grandchildren in the USA: Who are they?” (with Esme Fuller-Thomson) Paper presented at the annual meeting of the Gerontological Society of America, San Francisco. November 2007.

“The Hispanic paradox and older adults’ disabilities: Is there a healthy migrant effect?” (with Fuller-Thomson & Guralnik). Paper presented at the annual meeting of the Gerontological Society of America, San Francisco. November 2007.

Disabilities among older Central Americans in the USA: Findings from the Census 2000 Supplementary Survey (with Fuller-Thomson). Paper presented at the annual meeting of the Gerontological Society of America, Dallas, Nov. 2006.

Fuller-Thomson, E. & Minkler, M. (2006, November). Service use among impoverished grandparents raising grandchildren: Findings from the Census 2000 Supplementary Survey. Paper presented at the annual meeting of the Gerontological Society of America, Dallas.

“Using the Principles of Community-Based Participatory Research to Enhance the Quality of Service-Learning Research” (with Andy Furco) Presentation to the Annual International Conference on Service Learning Research, Portland, OR. Oct 14, 2006.

“Putting Community First: The Power of Community-based Action Research for Health and Wellbeing.” Communities in Control Conference, Melbourne, Australia June 20, 2006

“Contexts, Challenges, and New Directions for Public Health: Putting Community First.” Passion for Public Health Series, San Diego State University, April 26, 2006.

“CBPR: A promising approach for health disparities research.” Health Disparities Conference, UC Berkeley, April 19, 2006

“CBPR: A Promising Approach for Minority Aging Research.” Resource Centers on Minority Aging Research, Annual Meeting San Francisco, California April 4, 2006.

“Principles and Experiences in Community Based Participatory Research.” *Health Disparities Seminar*, San Francisco State University March 29, 2006.

“Community-Based Participatory Research.” Joyce C. Lashof Symposium, UC Berkeley, March 23, 2006.

“Civic engagement and older adults: A critique and alternative social justice perspective” Presentation at the annual meeting of the American Society on Aging. Anaheim, CA. March 17, 2006.

“Community Capacity: An Overview.” Opening address for the Workshop on Evaluating Community Capacity Building in Local Health Departments, Bay Area Regional Health Institute, March 15, 2006.

“Community Based Participatory Research to Address Health Disparities: Value added and Challenges Faced” William T. Small_Lecture, National Minority Health Conference, Chapel Hill, NC Feb. 24, 2006.

“Civic engagement and older adults: A critique and alternative social justice perspective”
Presentation at the annual meeting of the American Society on Aging. Anaheim, CA. March 22, 2006.

“Disabilities among older Central Americans in the USA: Findings from the Census 2000 Supplementary Survey.” (with Fuller-Thomson) Paper presented at the annual meeting of the Gerontological Society of America, Dallas, Nov. 2006.

“Service use among impoverished grandparents raising grandchildren: Findings from the Census 2000 Supplementary Survey”. Paper presented at the annual meeting of the Gerontological Society of America, Dallas, Nov. 2006.

“Challenges in documenting the impacts of CBPR on environmental health policy.” American Public Health Association Annual Meeting, Philadelphia Dec. 11, 2005.

"Community Based Participatory Research: A promising strategy for reducing health disparities and Public Policy." Keynote address, 2nd annual community based collaborative research conference, Northwest Health Foundation, Portland, OR Sept. 19, 2005.

“Mexican American grandparent caregiving” (with Fuller-Thomson). Paper presented at the annual meeting of the Gerontological Society of America, Washington, D.C. Nov. 2005.

“Risk Factors for disability among grandparent caregivers: Findings from the Census 2000 Supplementary Survey,”(with Fuller-Thomson). Risk Factors for disability among grandparent caregivers: Findings from the Census 2000 Supplementary Survey. Poster session presented at the 58th Annual Meeting of the Gerontological Society of America, Orlando.

“Ethical challenges for the outside researcher in Community Based Participatory Research.” Plenary presentation to the Annual meeting of the Society for Public Health Education, San Francisco, CA Nov. 14, 2003.

“Community based participatory research for health: Promise and Challenges.” Presentation to the Johns Hopkins University School of Medicine, April 2, 2003.

“Community based participatory research.” Presentation to the Division of Epidemiology, Dept. of Public Health, Washington DC, April 4, 2003.

“Developing partnerships with communities.” Visiting Professor Presentation, Howard University, Washington DC, April 3, 2003

“Housing issues and realities facing grandparent caregivers who are renters.” (Fuller Thomson and Minkler) Presentation to the Annual Meeting of the Gerontological Society of America, Nov 15, 02.

“Engaged scholarship: Involving communities in research.” Closing Keynote presentation for the service-learning conference, Unboxing the University: Higher education and the community challenges of immigration. Azusa Pacific University, Azusa, CA, Nov. 1, 2002.

“Influencing policy through community based participatory research.” Presentation to the Annual Meeting of the American Public Health Association, Philadelphia, PA. Nov. 2002.

“The power, the promise and the challenges of community building for health: Dilemmas in evaluation and measurement.” (Minkler, Thompson and Parker) Plenary panel, Sierra Foundation Conference on Community Building for Health Improvement, Sacramento, CA. Sept. 24, 2002.

“Identifying, honoring and training California’s senior leaders.” Presentation at the Sierra Foundation Conference on Community Building for Health Improvement, (with Lisa Romero) Sacramento, CA. Sept. 24, 2002.

“Health promotion and the elderly.” Keynote presentation for the British Geriatrics Society, Telford, England, April 12, 2002.

"Community based participatory research: Coming of age in the health field." Opening Keynote, Annual Conference of the Center for Popular Education and Participatory Research, Berkeley, CA. Feb 1, 2002.

“Grandparent caregiving in the United States and Canada: An ecological perspective.” (with Fuller Thomson, presenting) Paper presented at the bi-annual meeting of the International Association of Schools of Social Work, Montpellier, France.

“The ecological model and grandparent caregiving research.” Paper presented at the Annual Meeting of the Gerontological Society of America (with Esme Fuller-Thomson), Chicago, IL, Nov. 17, 2001.

“Depression among grandparents providing extensive care to their grandchildren.” (with Esme Fuller-Thomson). Symposium at the Annual Meeting of the Gerontological Society of America, Nov. 2000.

"A case study of participatory action research from the disability community: Ethical issues." Presentation at the Annual Meeting of the American Public Health Association, Atlanta, GA. October 22, 2001.

"Using Community Involvement Strategies in the Fight Against Infant Mortality: Lessons from a Multi-Site Study of the Healthy Start Experience." Presentation to the annual meeting of the American Public Health Association, Boston, MA, November 13, 2000.

"Building a Knowledge Society Through Partnerships between Researchers and Diverse Aging Populations." Symposium of 46th Annual Society on Aging, San Diego, CA, March 26, 2000.

"Hidden Patients: A National Profile of African American Grandparents Raising Grandchildren." presented at annual meeting of American Association of Public Health (APHA), New York, NY, November 8, 1999.

"The Paradox of 'Successful Aging': A Critical Look at Neglected Dimensions." Gerontological Society of America, San Francisco, CA, November 18, 1999.

"New Perspectives on Aging in a Diverse Society." Opening Keynote, Simon Frazier University Conference on Community-University Partnerships in Aging Research, Education and Services, Vancouver, British Columbia, May 12, 1999.

"Core Commitments for an Empowering Approach to Community Research and Mobilization." Opening Keynote for the Community Voices: Health Care for the Uninsured meeting, Tempe, AZ, April 8, 1999.

"Practice at the Margins: Organizational and Community Alternatives." Special Presentation, Annual Meeting of the Assoc. for Community Organization and Social Administration, (CSWE Meeting) San Francisco, CA. March 12, 1999.

"Empowerment Evaluation: An example of a promising participatory evaluation approach." Presentation to the Rockefeller Foundation and the California Endowment, New York, March 2, 1999.

"Pedagogical issues in the teaching of community organizing for health through service-learning." Presentation at the annual meeting of the American Public Health Association, Washington DC, Nov. 16, 1998.

"Personal Responsibility for Health?" Presentation to the School of Medicine and the School of Public Health, Harvard University, Nov. 12, 1998.

"Grandparents and the dilemmas of public policy." Plenary panel presentation for the Annual Meeting of the American Sociological Association, San Francisco, CA. Aug. 21, 1998.

"Knowledge for change: Strategies for community based research." Distinguished lecture series, University of Michigan Center for Learning Through Community Service, Ann Arbor, Michigan, March 12, 1998.

"The Grandparent Caregiver Study: Involving community members in the research process." Special lecture, School of Public Health, University of Michigan, March 13, 1998.

"Ecological theories and their relevance for systems thinking in community health." Keynote presentation to the Public Health Education Leadership Institute, San Antonio, Texas, May 16, 1998.

“Community building strategies for community health in work with children and youth.”
Presentation to Education Training Research Associates, Santa Cruz, CA. April 7, 1998.

“‘Starting where the people are’ in setting the health agenda and communicating the message.”
Plenary panel presentation to the Annual Meeting of the American Public Health Association,
Indianapolis, IN. Nov. 11, 1997.

"Volunteerism and diversity: Expanding the vision." Concluding keynote for the American
Lung Association, Tahoe City, CA. Sept. 15, 1997.

"Embracing the future of health education with heart and spirit." Keynote address to the Society
for Public Health Education, Northern California, Fremont, CA, Feb. 28, 1997.

"America's Forgotten Caregivers: Grandparents Raising Grandchildren." Chancellor's Forum
presentation, May 16, 1997, Berkeley, CA.

"Critical Perspectives on Aging: New Challenges for Gerontology." Special lecture for the
annual meeting of the American Society on Aging, Nashville, TN March 23, 1997.

"Critical Gerontology: Implications for Theory, Research and Practice." Presentation at the
annual meeting of the American Society on Aging, Nashville, TN, March 24, 1997,

"Embracing the Future of Health Education with Heart and Spirit." Keynote address to the
Society for Public Health Education, Northern California, Fremont, CA, February 28, 1997.

"Assumption of grandparent caregiving: Correlates and predictors." (with Esme Fuller-
Thomson) Presentation to the Annual Meeting of the Gerontological Society of America,
Washington, DC., November, 1996.

"Tenant Organizing Among the Low Income Elderly in San Francisco's Tenderloin District: A
Retrospective Analysis." Presentation to the annual meeting of the American Public Health
Association, NY, NY, November, 1996.

"Community Organizing and Empowerment: Tools for Building Healthier Communities."
Keynote address for the Washington State Department of Health, November 8, 1996, Seattle,
WA.

"The future of community health promotion: Contexts and commitments." Opening
Keynote for the New Mexico Department of Health, Office of Health Promotion
conference, Las Cruces, New Mexico, Sept. 24, 1996

"Health Policy Transformations: Impacts on Older Women." Presentation to the National
Women's Political Caucus, California Convention, August 3, 1996, Concord, CA.

"The Question of Justice Between Generations: Into the 21st Century." Keynote address for the
Social Work Futures Conference, University of Houston, Houston, TX, May 10, 1996.

"The Contract with America and Its Implications for the Elderly: A Second Look," Presentation to the annual meeting of the American Society on Aging, Anaheim, CA, March 17, 1996.

"Core Commitments for Empowering Community Health Improvement." Keynote address for the annual meeting of the Voluntary Hospitals of America Regional Meeting, Denver, CO, February 1, 1996.

"Methodological Issues in Conducting Cross Cultural Research in Aging: A Case Study." Presentation to the Gerontology Colloquia, University of Southern California, Los Angeles, CA, January 18, 1996.

"Critical Perspectives on Ageing: New Challenges for Gerontology." Keynote for the British Society of Gerontology Annual Meeting, Keele, Staffordshire, UK, September 15, 1996.

"Ethical Issues in Health Promotion." Keynote Address to the Annual Meeting of Health Education Staff, Health Net. Los Angeles, CA. June 22, 1995.

"Aging and Health Promotion in Community Settings." Plenary Presentation, Conference on Aging and Health Promotion, University of Toronto Centre on Ageing. Toronto, Ontario, May 11, 1995.

"Social Support, Community Building and Health." Opening Keynote, Health Care Forum Fellowship Meeting. San Diego, CA. April 21, 1995

Keynote, Public Health Partners Awards Luncheon, Department of Health Services, Alameda Co. Oakland, CA. April 7, 1995.

"A Second Ounce of Prevention: Building Healthy Communities." Opening Keynote, Prevention Training Conference, Mass. Department of Public Health. Marlboro, MA. March 22, 1995.

"How Should we Balance Individual and Social Responsibility in Health Promotion?" Closing Keynote, American Journal of Health Promotion Annual Conference. Orlando, FL. March 10, 1995.

"Health Care Reform: The Role of Health Education." Opening Keynote Address for the Annual Meeting, NY State Federation of Professional Health Educators. Binghamton, NY. Nov. 2, 1994.

"Intergenerational Equity: Divergent Perspectives." Plenary Panel, American Public Health Association Annual Meeting. Washington DC., Nov. 1, 1994.

"Where Communities, the University and Public Health Practitioners Meet." Opening Keynote, Partners for Public Health Conference, Community Partners Consortium, Amherst MA. Sept. 23, 1994.

"Toward an Empowering Community Health Practice." Opening Keynote for the Annual Meeting of the AHEC/ Community Partners Project, Northhampton Conn, Sept. 23, 1994

Social Support and Health Promotion for the Elderly." Presentation at the Conference of Health Promotion and Disability Prevention in the Elderly, Berkeley, CA. May 6, 1994.

"Ethical Challenges for Health Promotion." Presentation to the Health Care Forum. Anaheim, CA. May 1, 1994.

"Health Education Leadership in an Era of Health Care Reform." Opening Keynote, Keynote Presentation to the State and Territorial Directors of Health Education Annual Meeting. Tampa, FL. April 25, 1994.

"Policy Issues Affecting Grandparents Parenting Again." Presentation at the Annual Meeting of the American Society on Aging, San Francisco, CA. March 21, 1994.

"Economic Vulnerability of Grandparents Parenting Grandchildren." Presentation at the Annual Meeting of the American Society on Aging, San Francisco, CA. March 21, 1994.

"Building University Community Partnerships." Presentation at the International Healthy Cities and Communities Conference, San Francisco, CA. December 10, 1993.

"Ten Commitments for Health Education." Distinguished Career Award Presentation, Health Education and Health Promotion Section, American Public Health Association Annual Meeting, San Francisco, CA. October 26, 1993.

"Health and Economic Costs of Grandparent Caregiving." Presentation to the Annual Meeting of the American Public Health Association. October 26, 1993.

"Ethical Challenges for Health Promotion in the 1990's." U.C./Health Wellness Lecture, University of California, Berkeley, October 12, 1993

"Health and Social Issues of Older Women." Presentation to the Conference on Global Issues for Women's Bay Area Forum, Berkeley, CA. June 4, 1993.

"The High Cost of Caring: Grandparent Caregiving and the Grandparents' Rights Movement." presentation to the Annual Meeting of Generations United, Washington, D.C. March 20, 1993.

"Grandparents at Risk: Health Consequences of Cross Generational Parenting." Presentation to Kaiser Permanente, Vallejo Medical Staff, Vallejo, CA. January 14, 1993.

"Community Interventions to Support Grandparent Caregivers: Assessing the State of the Art." Presentation at the Annual Meeting of the American Public Health Association, Washington, D.C. November 9, 1992.

"Social Influences on the Health of Older Women: Race, Gender and Class," Colloquium presentation for the Oregon Research Institute, Eugene, OR. Sept. 18, 1992.

"Involving the Community in the Design and Implementation of Health Research." Presentation for the Oregon Research Institute, September 18, 1992.

"Skipped Generation Parenting: When Grandmother Becomes Mother." panel presentation at the Annual Meeting of the American Society on Aging, San Diego, CA. March 15, 1992.

"The Generational Equity Debate." invited presentation for the Centre for Studies of Aging, University of Toronto, February 21, 1992.

"Community Organizing for Health Promotion Among the Urban Poor in the U.S.: A Case Study." invited presentation for the Centre for Studies of Aging, University of Toronto. February 22, 1992.

"Experiences with Health Promotion in the Inner City." Panel Presentation at the Conf on Health Promotion in the Inner City, UCLA, Los Angeles, CA. Feb 1, 1992.

"The Social Determinants of Health of the Elderly: Race, Class and Gender." Presidential Panel Presentation, Annual Meeting of the American Public Health Association, Atlanta, GA. November 12, 1991.

"Forgotten Caregivers: Grandmothers Raising Grandchildren " presentation at Annual Meeting of the American Public Health Association, Atlanta, GA. November 13, 1991.

"The Physical and Mental Health Consequences of Grandparent Caregiving." Presentation at the Annual Meeting of the Geron Soc of America, SF, CA. Nov 24, 1991.

"Community Organizing among the Elderly Poor in the U.S.: Implications for Healthy Public Policy." Invited Presentation for the Health Promotion Directorate, British Columbia, Vancouver, B.C. October 12, 1990.

"Public Participation in Health Promotion." Keynote Address at the Summer Institute on Citizen Participation in Health Promotion, University of Manitoba, Winnipeg, Manitoba. July 31, 1990.

"Community Organizing as the Basis of Health Education." Presentation to the Mid-Year Conference of the Society for Public Health Education, Portland, Maine. June 16, 1990.

"Intergenerational Issues and Minority Aging." Presentation at the National Symposium on Minority Aging, San Diego, CA. June 7, 1990.

"Ethical Issues in Health Promotion for the 1990's." Presentation at The New Public Health: 1990 (State Conference on the Future of Public Health), Los Angeles, CA. April 26, 1990.
