MCP-EHS MPH Sample 3 Year Course Plan AY19-20

- **Minimum required units for MPH 48 units**
- **Minimum required units for MCP 36**
- **Note regarding independent and special study courses:** Independent and special study courses are numbered: 195, 197, 198, 199, 296, 297, 298, and 299. Of the 42/48 minimum units required for the MPH degree, no more than one-third of the total units completed (i.e. 10 units for a 42-unit degree or 12 units for a 48-unit degree) may be taken from courses numbered 195, 197, 198, 199, 296, 297, 298, or 299. Students may take independent study units offered by SPH or departments outside the School. Provisions about independent study are to be administered by the Office of Student Services and Admissions in concert with the student's Faculty Adviser and monitored by the Associate Dean for Education. The SPH Education Policy and Curriculum Committee (EPCC) may grant variances to these policies as necessary and appropriate.
