

## **Julianna Deardorff**

---

School of Public Health, 207K University Hall  
University of California  
Berkeley, California 94143-0981

Office: 510.642.7334  
Fax: 510.643.6426  
jdeardorff@berkeley.edu

### **Education**

- Sept 2004 – April 2006      **University of California, San Francisco**  
Postdoctoral Scholar, Health Psychology and Medicine, Psychiatry
- May 2004                      **Arizona State University**, Tempe, Arizona  
PhD, Clinical Psychology
- 2003 – 2004                 **Stanford University**, Palo Alto, CA  
Clinical Internship, Lucile Packard Children's Hospital/Children's Health Council
- Dec 2000                     **Arizona State University**, Tempe, Arizona  
MA, Clinical Psychology
- May 1992                     **University of California, Los Angeles**  
BA, English Literature

### **Professional Experience**

- July 2014 – now             Associate Professor (with tenure)  
Community Health Sciences Division, School of Public Health  
**University of California, Berkeley**
- Jan 2009 – June 2014      Assistant Professor  
Community Health Sciences Division, School of Public Health  
**University of California, Berkeley**
- Sept 2008 – present        Adjunct Investigator  
**Division of Research, Kaiser Permanente Medical Care Program**
- Jan 2010 – Jan 2012       Assistant Adjunct Professor  
Obstetrics, Gynecology and Reproductive Sciences (OB-GYN)  
**University of California, San Francisco**
- June 2006 – Jan 2012      Clinical Psychologist (Adolescents)  
New Generation Health Center  
**University of California, San Francisco**
- April 2006 – Dec 2008     Assistant Adjunct Professor  
Department of Epidemiology and Biostatistics, School of Medicine  
**University of California, San Francisco**

### **Licenses and Certification**

- July 2007                     California Board of Psychology License, PSY 21519, active

## Honors and Awards

- 2020 *Selected Participant*, UC Women’s Initiative for Professional Development, UC Office of the President.
- 2020 *Selected Participant*, UC Berkeley Faculty Leadership Academy.
- 2013 – 2018 *Awardee*, School of Public Health Committee on Teaching Excellence for excellence in teaching (recipient every semester when teaching since inception of award)
- 2016 *Nominee*, Faculty Award for Excellence in Postdoctoral Mentoring, Berkeley Postdoctoral Association
- 2014 – now *Faculty Affiliate*, Bixby Global Reproductive Health Center
- 2010 – 2016 *Faculty Affiliate*, Robert Wood Johnson Health and Society Scholars program, UCB-UCSF
- May 2013 Community Breast Cancer Research Award, Zero Breast Cancer, San Rafael, CA. One of three annual recipients
- 2012 – 2013 *Recipient*, Hellman Family Faculty Fund Award, UC Berkeley.
- 2009 – 2011 *Recipient*, King Sweesy and Robert Womack Endowed Chair in Medical Research and Public Health, University of California, Berkeley.
- 2005 –2011 *Awardee*, NIH Loan Repayment Program Award (L60), Health Disparities, National Institutes of Health.
- 2009 *Awardee*, Best Epidemiology Poster, Annual Meeting of the NIH Breast Cancer and the Environment Research Centers, Cavallo Point, CA.

## Grants and Other Funding

### Active

- |                                                                                                                                                                         |                       |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| R01 HD098220 (Kubo)                                                                                                                                                     | 4/1/2019 – 31/31/2023 |
| NICHD                                                                                                                                                                   | \$515,636 (Y1)        |
| <i>Sex and Race/Ethnicity-specific Multilevel Factors Influencing Pubertal Trajectories: a Population-based Study</i>                                                   |                       |
| Major Goal: To document trends in pubertal timing and tempo in girls and boys and examine individual, neighborhood, and social factors that influence pubertal markers. |                       |
| Role: Co-Investigator (PI subaward)                                                                                                                                     |                       |
|                                                                                                                                                                         |                       |
| R01 ES026994 (Eskenazi)                                                                                                                                                 | 9/30/2016 – 8/31/2021 |
| NIEHS                                                                                                                                                                   | \$679,931 (Y4)        |
| <i>Effects of Early Life Exposure to Social Adversity and Pesticides on Risk-taking Behavior of 16-18 year olds: The CHAMACOS study</i>                                 |                       |
| Major Goal: To examine the interactive effects of adversity and chemical exposures in early childhood on delinquency and academics in adolescence, at 16y and 18y.      |                       |
| Role: Co-Investigator                                                                                                                                                   |                       |
|                                                                                                                                                                         |                       |
| T76 MC00002 (Deardorff)                                                                                                                                                 | 9/2015 – 5/2020       |
| Health Resources and Services Administration                                                                                                                            | \$520,000 (Y5)        |
| <i>Maternal and Child Health Center of Excellent Training Grant</i>                                                                                                     |                       |
| This federal grant supports training of MPH students and postdoctoral scholars in the MCH Center of Excellence at UC Berkeley in the School of Public Health.           |                       |
| Role: Director/PI                                                                                                                                                       |                       |

**Completed**

R01 DA035300 (Deardorff) 2/15/2014 – 1/31/2020  
NIDA \$564,930 (Y5)  
*Early Adversity Shapes Adolescent Risk Behavior Trajectories in Mexican Americans*  
Major Goal: To longitudinally examine the effects of early adversity on substance use and risky sexual behaviors among Mexican American adolescents, as well as factors that may mediate or moderate these effects.  
Role: Principal Investigator

R56 HL141878 (Mujahid) 9/25/2018 – 8/31/2019  
NHLBI \$519,550  
*Neighborhood Environments and Intergenerational Transmission of Cardiovascular Health*  
Major Goal: To examine associations between neighborhood and school environments at different developmental stages (early childhood, adolescence, and adulthood) in relation to CVH of adolescent girls as they transition to adulthood, and to determine whether these cumulative exposures are associated with the CVH of their children  
Role: Co-Investigator

K99 HD 088751-02 (Reynolds) 4/20/2017 – 6/30/2019  
NICHD \$123,903 (Y2)  
*How Father and Grandparent Transitions Impact Child Growth and Transitions.*  
Major Goal: To provide training and mentorship to an early career scholar so she is able to engage in independent research that seeks to understand the impacts of fathers and grandparents on child development.  
Role: Mentor

UG3 OD023356-01 (Eskenazi) 9/21/2016 – 8/31/2018  
Office of the Director, NIH \$1,250,450 (Y2)  
*Long-term Sequelae of Early Life Pesticide Exposure in the CHAMACOS Birth Cohort*  
Major Goal: To contribute to ECHO and provide insight on long-term impacts of prenatal exposures, including specific tools to assess brain development. To re-evaluate CHAMACOS participants to measure the impact of early pesticide exposure on brain function, respiratory health, and obesity-related conditions at early adulthood.  
Role: Co-Investigator

R01 HD071065 (Harvey) 7/25/2012 – 5/31/2018  
NICHD \$629,619 (Y3)  
*Triple Vulnerability? Circadian Tendency, Sleep Deprivation and Adolescence*  
Major Goal: To *reduce* eveningness among 10-18 year olds via an innovative intervention, the BRIGHT intervention (Biological Rhythm Intervention for Growing Healthy Teens).  
Role: Co-Investigator

R01 DA035300-02S1 (Deardorff) 02/15/15 – 02/14/17  
NIDA \$75,260 (Y2)  
*NIDA Administrative Supplement to Promote Diversity in the Workforce*  
*Early Adversity Shapes Adolescent Risk Behavior Trajectories in Mexican Americans*  
Major Goal: To provide research training and opportunities to historically underrepresented individuals.  
Role: Principal Investigator

R34 DA035349 (Ozer, Harvey) 9/1/2013 – 8/31/2016  
NIDA \$234,750 (Y2)

*Promoting Sleep to Prevent Substance Use in Adolescents*

Major Goal: To pilot test an intervention to promote sleep in adolescents in order to prevent substance use.

Role: Co-Investigator

R24 HD083298 (Ozer)

09/18/2014 – 08/31/2015

NICHHD

\$250,000 (Y1)

*Culture, Health, and Adolescence Research Network (CHARN)*

Major goal: To bring together a multidisciplinary network of scientists and develop and pilot test a culturally sound measure of implicit beliefs among adolescents.

Role: Co-Investigator

T32 MH089919 (Harvey, Hinshaw)

6/1/2011 – 5/31/2016

NIMH

\$106,280 (Y4)

*From Mechanisms to Treatment of Mental Illness: Translational Research Training*

Major Goal: Provides funds to support two years of training to prepare predoctoral students in psychology for scientific careers in the identification of mechanisms underlying severe mental illness.

Role: Preceptor/Mentor

U01 ES019435 (Kushi)

10/1/2010 – 4/30/2016

NIEHS/NCI

\$921,689 (Y5)

*The CYGNET Study: Environmental and Genetic Determinants of Maturation of Girls*

Major Goal: To examine determinants of girls' pubertal timing and pubertal tempo, which have been identified as potential risk factors for breast cancer in adulthood.

Role: Co-Investigator (PI subaward)

R01 MD006104 (Abrams)

9/1/2010 – 7/31/2016

NCMHD

\$299,508 (Y5)

*Intergenerational Obesity: Do Early Adversity and Pregnancy Explain Disparities?*

Major Goal: To examine the effects of early adversity, in childhood and adolescence, and pregnancy on intergenerational obesity and the potential moderating effects of psychological variables.

Role: Co-Investigator

UC Berkeley-Chile Seed Grant Award (Deardorff, Corvalan)

11/1/2013 – 12/31/2015

CONICYT

\$30,000

*Pubertal Events, Substance Use and Sexual Risk Behaviors in Latinos from Salinas, California, USA and Santiago, Chile*

Major Goal: To develop a collaborative scientific relationship with researchers in Santiago, Chile and at UC Berkeley to better understand trajectories of sexual risk-taking as they relate to pubertal timing and tempo.

Role: Co-Principal Investigator

R01 MH068920 (Roosa)

7/1/2003 – 4/30/2014

NIMH

\$668,237 (Y7)

*Culture, Context, and Mexican American Health*

Major Goal: To longitudinally study processes that contribute to the high levels of psychopathology experienced by Mexican American youth by identifying individual, environmental, and social factors that contribute to both risk and resilience processes,

Role: Consultant

Hellman Family Faculty Fund Award UC Berkeley	7/01/2012 – 12/31/2013 \$45,000
<i>Early adversity exposure and Mexican American adolescents' pubertal development, sexual risk-taking behaviors and substance use</i>	
Major goal: Pilot funds for assistant professors who show capacity for distinction in their research.	
Role: Fellow	
R01 HL084404 (Tschann) NHLBI	7/15/2007 – 1/30/2013 \$724,872 (Y5)
<i>Parental Influences on Obesity among Mexican American Children</i>	
Major Goal: To prospectively investigate the unique contributions of social adversity and family feeding patterns to dietary intake and children's overweight and obesity, by following 370 8-9-year-old Mexican American children and their parents during the beginning of the children's pubertal transitions.	
Role: Co-Investigator	
Health and Society Scholars (Catalano) Robert Wood Johnson Foundation	8/1/2012 – 8/31/2012 \$5,500
<i>Adversity, childhood overweight, and early onset of pubertal development among Mexican American youth</i>	
Major Goals: Seed funds to facilitate additional assessment of participants in CHAMACOS, a prospective cohort study (funded by NIEHS) to investigate social adversity, stress reactivity, pubertal onset and adolescent risk-taking behaviors.	
Role: Principal Investigator	
Faculty Research Grant UC Berkeley Committee on Research (COR)	1/1/2011 – 6/30/2011 \$9,000
<i>Social Environment and Stress Reactivity as Determinants of Early Puberty in Girls</i>	
Major Goal: To follow a cohort of 250 girls who were assessed in kindergarten to identify aspects of the social environment and biophysiologic reactivity to stress that accelerate pubertal onset and increase breast cancer risk.	
Role: Principal Investigator	
L60 MD001217 (Deardorff) NCMHD	7/01/2005 – 6/30/2011 \$70,000
<i>Health Disparities among Latina Adolescents: The Intersection of the Pubertal Transition and the Acculturation Process</i>	
Major Goal: Loan Repayment Program for scholars engaged in health disparities research.	
Role: Loan repayment award recipient	
U01 ES012801 (Hiatt) NCI / NIEHS	9/29/2003 – 7/31/2010 1,558,250 (Y7)
<i>Bay Area Breast Cancer and the Environment Research Center</i>	
Major Goal: Transdisciplinary center to examine determinants of early puberty, a risk factor for breast cancer in adulthood, by focusing on mammary gland development during the pubertal transition. The CYGNET study, within the Center, is a prospective epidemiologic study of 444 girls to determine environmental influences on early timing of pubertal development, as risk factors for breast cancer later in life.	
Role: Co-Investigator	
Health and Society Scholars (Catalano) & Population Health Center (Dow)	9/1/2009 – 10/31/2010

Robert Wood Johnson Foundation / NICHD \$15,000  
*Social Environment and Stress Reactivity as Determinants of Early Puberty, a Risk Factor for Cancer in Adulthood.*  
Major Goal: Seed funds to facilitate retention and additional assessment of participants in PAWS, 7-year prospective cohort study (originally funded by NIMH), who were recruited in kindergarten and are now 9.5-11.5yo. To investigate the effects of social adversity and stress reactivity on pubertal onset.  
Role: Principal Investigator

K12 HD052163 (Grady) 4/1/2006 – 12/31/2008  
NICHD / ORWH \$100,000  
*UCSF-Kaiser Building Interdisciplinary Research Careers in Women's Health Program*  
Major Goal: Career development award to provide enhanced training and promote the success of becoming independent translational or clinical researchers with a focus on women's health.  
Role: K awardee

Health and Society Scholar's Health Disparities Working Group (Adler) 3/1/2007 – 8/31/2007  
Robert Wood Johnson Foundation  
*Acculturation, Sexual Values, and Risky Sexual Behaviors among Young Latinos*  
Major Goal: Seed funds to investigate the roles of traditional sexual values and acculturation on risky sexual behaviors among young Latinos, ages 16-22.  
Role: Principal Investigator

T32 MH019391 (Adler) 9/1/2004 – 3/31/2006  
NIMH  
*Psychology and Medicine: Translational Research on Stress, Behavior and Disease*  
Major Goal: To train researchers to conduct interdisciplinary research at the intersection of Psychology and Medicine to develop better understanding and treatment of mental and physical diseases.  
Role: Postdoctoral Fellow

T32 MH18387 (Chassin) 8/2000 – 7/2001  
NIMH  
*Training in Child Mental Health/Primary Prevention*  
Major Goal: To train researchers in the prevention of negative mental health outcomes among high-risk children under stress by emphasizing an understanding of the risk and protective factors that influence development.  
Role: Predoctoral Scholar

*Putting Children First Summer Policy Fellowship (Brooks-Gunn)* 6/1/1999 – 7/31/1999  
Columbia University Teachers College  
W.T. Grant Foundation  
Major Goal: To conduct policy-relevant research with a community-based organization in New York City.  
Role: Fellow

### **Travel Grants and Instructional Awards**

Travel Grant 8/2012  
UC Berkeley Committee on Research (COR) \$800  
Major Goal: Travel funds to present research at the 24th Conference of the International Society for Environmental Epidemiology.

Travel Grant

3/30/2011 – 4/2/2011

UC Berkeley Committee on Research (COR)

\$800

Major Goal: Travel funds to present research at the 2011 Biennial Conference for the Society for Research in Child Development.

Instructional Improvement Grant 2012-2013, UC Berkeley's Office of Educational Development. \$1,600.

Funding Period: November 2012 – April 2013. To develop new course, *MCH Leadership*.

Instructional Improvement Grant 2008-2009, UC Berkeley's Office of Educational Development. \$1,000.

Funding Period: June 1, 2009 – November 30, 2009. To develop new course, PH210B, *Adolescent Health*.

34. \*Kubo, A., Ferrara, A., Laurent, L., Mirabed i, A. S., Windham, G., Greenspan, L. C., **Deardorff, J.**, Hiatt, R. A., Quesenberry, Jr, C. P., & Kushi, L. H. (2013) *Maternal pregnancy hyperglycemia predicts offspring adiposity independent of maternal obesity*. Poster presented at the Annual Meeting of the Breast Cancer and the Environment Research Program, Madison, WI.
35. \*Hendrick, C. E., **Deardorff, J.**, & Cance, J. (March 2014). *The interaction of biological and environmental factors in predicting educational attainment: the role of early pubertal development among emerging adult women in rural and urban settings*. Poster presented at the Annual Meeting of the Society for Adolescent Health and Medicine, Austin, TX.
36. \*Hendrick, C. E., Cohen, A., **Deardorff, J.**, & Cance, J. (May 2014). *The role of pubertal development, geography, and the family in predicting women's educational attainment at ages 25 and 40*. Poster presented at the Annual Meeting of the Society for Prevention Research, Washington, DC.
37. **Deardorff, J.** (April 2013). *Contextual amplification during puberty and beyond: Longitudinal examinations of context and emotional and behavioral outcomes*. Chair of paper symposium at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
38. **Deardorff, J.**, \*Ekwaru, J. P., Hiatt, R. A., Greenspan, L. C., Laurent, C., Yen, I. H., Windham, G. C., & Kushi, L. H. (April 2013). *Timing of pubertal onset, neighborhood safety and girls' depressive symptoms: A test of contextual amplification*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
39. White, R. M. B., **Deardorff, J.**, Yu, L., & Gonzales, N. A. (April 2013). *Contextual amplification or attenuation of pubertal timing effects on mental health among Mexican American boys*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
40. \*Murphy, E., Vedar, M., **Deardorff, J.**, Harley, K., Kogut, K. & Eskenazi, B. (April 2013). *Early adversity exposure and pubertal development in Mexican American girls*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
41. \*Allison, A., Bush, N., **Deardorff, J.**, Adler, N., & Boyce, W. T. (April 2013). *Oxytocin and SES predicting childhood anthropometric outcomes*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
42. \*Murphy, E., Vedar, M., **Deardorff, J.**, Harley, K., Kogut, K., & Eskenazi, B. (November 2012). *Early adversity exposure and pubertal development in Mexican American girls: An examination of early life predictors of breast cancer risk*. Poster presented at the Breast Cancer and the Environment Research Program (BCERP) Annual Meeting, San Francisco, CA.

43. \*Berry-Millet, R., **Deardorff, J.**, Rehkopf, D., & Abrams, B. (October 2012). *Maternal pre-pregnancy BMI, gestational weight gain, and age at menarche in daughters*. Poster presented at the American Public Health Association Annual Meeting, San Francisco, CA.
44. \*Loeb, A., **Deardorff, J.**, Lahiff, M., & Kiku, Annon (October 2012). *High expectations across multiple domains, peer norms and physical dating violence among California adolescents*. Poster presented at the American Public Health Association Annual Meeting, San Francisco, CA.
45. \*Cohen, A., Rehkopf, D., Rai, M., **Deardorff, J.**, & Abrams, B. (October 2012). *Educational attainment and obesity: A systematic review and a new look*. Poster presented at the American Public Health Association Annual Meeting, San Francisco, CA.
46. **Deardorff, J.**, Engel, S., \*Ekwaru, P., Windham, G., Pinney, S., Fang, C., Miller, S., Kushi, L.H., Hiatt, R. A., Biro, F. M., Calafat, A. M., Teitelbaum, S., Wolff, M. (August 2012). *Childhood phenol exposures and girls' behavioral and emotional outcomes*. Poster presented at the International Society for Environmental Epidemiology Conference in Columbia, South Carolina.
47. **Deardorff, J.**, \*Young, M. E., & \*Stearns, K. (March 2012). *Childhood abuse and menarche: Findings from an ethnically-diverse sample of young women*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence in Vancouver, British Columbia.
48. **Deardorff, J.**, \*Fyfe, M., \*Ekwaru, J. P., Yen, I. H., & Kushi, L. H. (March 2012). *Does neighborhood environment affect girls' pubertal onset? Findings from a cohort study*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence in Vancouver, British Columbia.
49. \*Kagan, S., **Deardorff, J.**, McCright, J., Lahiff, M., & Lippman, S.A. (October 2011). *Association of hopelessness and sexual risk behavior among African American men in San Francisco*. Oral presentation at the Annual Meeting of the American Public Health Association in Washington, D.C.
50. \*Lessard, L., **Deardorff, J.**, Lahiff, M., Karasek, D., & Green Foster, D. (October 2011). *Understanding women's contraceptive preferences and method choices*. Poster presented at the Annual Meeting of the American Public Health Association in Washington, D.C.
51. Greenspan, L. C., Laurent, C., Windham, G. C., **Deardorff, J.**, Hiatt, R. A., & Kushi, L. H. (May 2011). *Girls' pubertal development in a large longitudinal study: What is normal now?* Oral presentation at the Joint Meeting of the Pediatric Academic Societies and the Asian Society for Pediatric Research in Denver, CO.
52. **Deardorff, J.**, Cham, H., Gonzales, N. A., White, R. M. B., Tein, J. Y., Wong, J., Roosa, M. W., & Knight, G. P. (April 2011). *Early puberty and Mexican American girls' internalizing and externalizing symptoms: The influence of parenting behaviors*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Montreal, Canada.
53. White, R. M. B., **Deardorff, J.**, Gonzales, N. A., Roosa, M. W., Knight, G. P. & Tein, J. Y. (April 2011). *Early puberty and Mexican American girls' depressive symptoms: The influence of neighborhood context*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Montreal, Canada.
54. Ellis, B. J., Shirtcliff, E. A., Boyce, W. T., **Deardorff, J.**, Essex, M. (August 2010). *Stress reactivity moderates the effect of parental supportiveness on puberty*. Paper presented at the American Psychological Association Annual Convention, San Diego, CA.
55. **Deardorff, J.**, Ekwaru, P. J., Kushi, L. K., & Hiatt, R. A. (March 2010). *Father absence, girls' BMI and pubertal development*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence. Philadelphia, PA.
56. Shirtcliff, E. A., Ellis, B. J., Boyce, W. T., **Deardorff, J.**, Essex, M. (March 2010). *Nonlinear longitudinal trajectories of pubertal maturation in early adolescents*. Paper presentation at the Biennial Meeting of the Society for Research on Adolescence. Philadelphia, PA.
57. **Deardorff, J.**, \*Ekwaru, P. J., Kushi, L. K., & Hiatt, R. A. (November 2009). *Father absence, girls' BMI and pubertal development*. Poster presented at the Annual Meeting of the Breast Cancer and the

Environment Research Centers, Cavahlo Point, CA.

58. \*Kale, A., **Deardorff, J.**, Mirabedi, A., Hiatt, R. A., & Kushi, L. K. (November 2009). *Effect of breastfeeding on girls' pubertal timing*. Poster presented at the Annual Meeting of the Breast Cancer and the Environment Research Centers, Cavahlo Point, CA.
59. \*Hansotte, E., **Deardorff, J.**, Kushi, L. K., & Hiatt, R. A. (March 2008). *Associations between girls' psychopathology symptoms, familial context, puberty, and BMI*. Poster presented at the Biennial Meeting of the Society for Research in Adolescence, Chicago, IL.
60. **Deardorff, J.**, Tschann, J. M., & Flores, E. (March 2008). *Acculturation, Sexual Values, and Risky Sexual Behaviors among Young Latinos*. Paper presented at the Annual Meeting of the Society for Research in Adolescence, Chicago, IL.
61. \*Becnel, J., **Deardorff, J.**, & Cookston, J. (2007). *Puberty, parental, and peer influences as correlates of initiation of substance use and sexual intercourse*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
62. **Deardorff, J.**, Kushi, L., & Hiatt, R. A. (2007). *Associations between girls' anxiety and depressive symptoms, mothers' depressive symptoms and girls' pubertal development*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
63. Windham, G., Sternfeld, B., **Deardorff, J.**, Darbinian, J., Gee, N., Lasley, W., & Kushi, L. K. (2007). *Pilot study of urinary biomarkers of steroid hormone levels in the California Breast Cancer and the Environment Research Center (BCERC)*. Poster presented at the annual meeting of the Breast Cancer and the Environment Research Center, Cincinnati, OH.
64. Brownell, M., Landaverde, E., Chan, C., Beeck, A., Johnson, D., Mirabedi, A., **Deardorff, J.**, & Kushi, L. (2006). *Clinic visit procedures in a prospective study of environmental and genetic factors and puberty: the CYGNET Study*. Poster presented at the Third Annual Early Environmental Exposures Meeting of the Breast Cancer and the Environment Research Centers, Berkeley, CA, November 2, 2006.
65. **Deardorff, J.**, Tschann, J., & Flores, E. (2006). *Sexual values among Latino youth: Moving beyond linguistic measures of acculturation*. Paper presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco, CA.
66. **Deardorff, J.**, Tschann, J. M., & Flores, E. (2006). *Sexual values among young Latinas: Measurement development using a culturally-grounded approach*. Poster presented at the annual NIH ORWH meeting for BIRCWH scholars, Bethesda, MD.
67. Knight, G. P., Saenz, D., Gonzales, N. A., German, M., **Deardorff, J.**, Updegraff, K., Roosa, M. W. (2006). *The development and validation of the Mexican American Acculturation/Enculturation Scale for adolescents and adults*. Paper presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco, CA.
68. **Deardorff, J.**, Gonzales, N. A., & Knight, G., & Roosa, M. (2005). *The effects of parent-child conflict and maternal acculturation on child mental health in Mexican American families*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Atlanta, GA.
69. **Deardorff, J.**, Gonzales, N. A., Christopher, F. S., & Roosa, M.W. (2004). *Early puberty, sexual behavior, and pregnancy among adolescent females: An examination of mediators and moderators*. Poster presented at the NIMH AIDS Research Meeting, Washington, DC.
70. **Deardorff, J.**, Gonzales, N. A., & Sandler, I. N. (2001). *Unique and specific effects of individual stressors on adolescent depression*. Poster presented at the Biennial Meeting of the Society for Community Research in Action, Atlanta, GA.
71. **Deardorff, J.**, Gonzales, N. A., & Sandler, I. N. (2001). *Unique effects of stress domains in predicting depression and control beliefs among inner-city adolescents*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN.
72. Dumka, L. E., Gonzales, N. A., & **Deardorff, J.** (2001). *Enhancing the transition to middle school: Preventive interventions for Mexican origin students*. Issue discussion at the Third Minority Issues in

- Prevention Conference, Tempe, AZ.
73. Dumka, L. E., Gonzales, N. A., & **Deardorff, J.** (2000). *Evaluation of the BRIDGES Family Strengthening Program*. Poster presented at the American Association for Marriage and Family Therapy Conference, Denver, CO.
74. **Deardorff, J.**, Castro, F. G., & Palomares, J. (1999). *Smoking prevention with adolescents: The benefits of peer leadership*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.
75. Gonzales, N. A., Jordan, L., Mehta, P., & **Deardorff, J.** (1999). *Neighborhood poverty and neighborhood violent crime as moderators of the effects of parenting on adolescent mental health*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.
76. Castro, F. G., De Anda, M. E., **Deardorff, J.**, & Abeita, L. (1998). *Companeros en la Salud/Hispanic Tobacco Education Coalition*. Presentation at the Second Minority Issues in Prevention Conference, Tempe, AZ.
77. Kahen, V. J., **Deardorff, J.**, & Penhalligon, G. (1997). *Is the whole different from the sum of its parts?: Intraparent inconsistencies in families with first grade children*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Washington, DC.
- \*Indicates students or postdocs mentored by Dr. Deardorff
- †Indicates new products **initiated** since promotion to Associate Professor with tenure at UC Berkeley

School of Public Health – **University of California, Berkeley**

- Spring 2014, 2013, 2012, 2011, 2010, 2009 Evaluation of Health and Social Programs (PH218B: average 35-40 students)  
*Graduate level course for MPH, DrPH, and PhD students*  
School of Public Health – **University of California, Berkeley**
- Spring 2012 Personal Health Initiative, Decal Course (PH98/198:17 students)  
*Supervised 4 undergrad students to develop and instruct this 1-unit public health course.*  
School of Public Health – **University of California, Berkeley**
- Spring 2011 Leadership Development Course Preparation (PH299: 5 students).  
*Worked with 5 MCH students to develop the framework for a required leadership course in MCH.*  
School of Public Health – **University of California, Berkeley**
- 2008, 2007, 2006 Biostatistical Methods for Clinical Research - Lab Instructor (average 40 students)  
*Masters level course in an advanced clinical training program for MDs, RNs, PhDs*  
Department of Epidemiology & Biostatistics – **University of California, San Francisco**
- 2005 – 2006 Culture and Behavior Series: Ethnic and Gender Disparities (average 10 students)  
*Discussion groups for first and second year medical students*  
School of Medicine – **University of California, San Francisco**
- 2005 Introductory Psychological Statistics (120 students)  
*Undergraduate course for majors and nonmajors*  
Department of Psychology - **San Francisco State University**
- 2001 Introductory Psychological Statistics (30 students)  
*Undergraduate course for majors and nonmajors*  
Department of Psychology - **Arizona State University**

**Guest Lectures and Invited Talks on UCB campus**

- Spring 2018 *Guest Speaker, Title: Leveraging Developmental Science to Improve Life Skills Trajectories for Adolescent Girls, Workshop on the Skills, Attitudes, and Behaviors that Shape Adolescent Girls' Academic and Life Outcomes in Developing Countries, Graduate School of Education, UC Berkeley.*
- Spring 2018 *Guest Speaker, Title: Adolescent Development in the U.S., Innovations for Youth (I4Y) Child Marriage and Youth Empowerment Series, UC Berkeley.*
- Spring 2018 *Guest Speaker, Title: Best Practices in Program Evaluation. PH205: Program Planning and Needs Assessment (Prata).*
- Fall 2015, 2014 *Guest speaker, Title: Adolescence, Puberty, and Sexuality. PH 213A: Family Planning, Population Change, and Health (Prata).*
- Fall 2015, 2014, 2013 *DrPH seminar (Pies).*
- Fall 2014 *Guest speaker, Title: Puberty and Adolescence. MCH core course (Pies).*
- Fall 2014 *Guest speaker, Title: Pubertal Development and Adolescent Risk Trajectories in Salinas, CA and Santiago, Chile. Center for Latin American Studies, UCB.*

- Spring 2014 *Guest lecture, Title: Women's Mental Health.* Undergrad seminar: Women's health and nutrition (Abrams).
- Spring 2014 *Guest speaker, Title: Girls' early puberty: Potential contributors and consequences.* CCYP talk (Jill Berrick)
- Fall 2013 *Guest speaker, Title: Sexual Values and Condom Negotiation among Young Latinos in the Bay Area.* Invited speaker at the Demography Brown Bag series (December 4, 2013).
- Fall 2013 *Guest speaker, Title: Datasets and research opportunities related to pubertal development.* Maternal and Child Health Research Issues Seminar (PH293-7).
- Fall 2013 MCH research issues seminar (Guendelman).
- Fall 2012 *Guest lecture, Title: Pubertal Timing and Reproductive Health.* Maternal and Child Health Core Course (PH210), UCB.
- Fall 2012 *Guest speaker, Title: Datasets and research opportunities related to pubertal development.* Maternal and Child Health Research Issues Seminar (PH293-7), UCB.
- Spring 2012 *Guest lecture, Title: Early Puberty and Psychosocial Issues: Considering Individual Differences.* Public Health Aspects of MCH Nutrition (PH207A: April 23, 2012), UCB.
- Fall 2011 *Guest lecture, Title: Sexual Norms and Risky Sex among Young Latino: A mixed method Approach.* Faculty Research Seminar (October 20, 2011), UCB.
- Fall 2011 *Guest lecture, Title: Girls' Pubertal Timing: Identifying Opportunities for Preventive Intervention.* Maternal and Child Health Core Course (PH210: October 12, 2011), UCB.
- Fall 2011 *Guest lecture, Title: Using Mixed Methods to Develop New Measurement Tools.* Doctoral Dissertation Integrative Seminar (SW295: October 6, 2011), UCB.
- Fall 2010 *Guest lecture, Title: Stress, Puberty and Young Latinas.* Developmental Psychopathology (PSY131: undergraduate class of 130 students), UCB.
- Fall 2009, 2010 *Guest lecture, Title: Adolescent Mental Health.* Maternal and Child Health Core Course (PH210), UCB.
- 2009 *Guest lecture, Title: Epidemiology and Child Mental Health.* Reproductive & Perinatal Epidemiology (PH210D), UCB.
- 2005 *Guest lecture, Title: Applications of Prevention Science and Community Psychology.* Undergraduate Psychology Course, UCB.
- 2005 *Guest lecture, Title: Research Methods for Applied Integrative Health Studies.* Integrative Health Graduate Course, California Institute for Integral Studies, San Francisco, CA.

## Invited Scientific Presentations and Talks

- Deardorff, J.** (February 10 2020). *Effects of Adversity on the Mental Health of US-Born Mexican American Youth.* Child and Adolescent Psychiatry Grand Rounds. UCSF Department of Psychiatry.
- Deardorff, J. & Greenspan.** (March 2017). *The New Puberty.* American Medical Women's Association 102<sup>nd</sup> conference, San Francisco, CA.
- Deardorff, J.** (March 2016). *The New Puberty: Girls' Early Puberty and Consequences.* MCYAF in-service training, San Francisco, CA.
- Deardorff, J. & Greenspan, L. C.** (May 2015). *Early Puberty: Psychological Antecedents and Consequences.* Psychiatry Grand Rounds, Stanford Medical Center, Stanford, CA.
- Deardorff, J.** (November 2014). *Early Puberty: Psychological Antecedents and Consequences.* Intern and postdoctoral seminar. Lucile Packard Children's Hospital and Children's Health Center, Palo Alto.
- Deardorff, J. & Greenspan, L.C.** (October 2014). *Early Puberty: Potential Antecedents and Consequences.* CPMC Psychiatry Grand Rounds.
- Deardorff, J.** (June 2014) *Adolescent Development, Sex Values and Condom Negotiation among Latino Youth.* Workshop at CREGS Summer Institute, SFSU.

- Deardorff, J. & Greenspan** (May 2014) *The Importance of Sleep During Puberty*. Exploratorium
- Deardorff, J.** (October 2013) *Sexual Values and Condom Negotiation among Young Latinos*. Invited in-service speaker at the Alliance Health Project, UC San Francisco.
- Deardorff, J.** (October 2013) *Sexual Values and Condom Negotiation among Young Latinos*. Invited in-service speaker at the Alliance Health Project, UC San Francisco.
- Deardorff, J.** (May 2013) *Sexual Values, Condom Negotiation and Condom Use among Young Latinos*. Invited speaker at the CREGS seminar, SFSU, Department of Sexuality.
- Deardorff, J.** (November 2012) *New Normal: Girls' Puberty*. Invited speaker at Jewish Community Center, San Francisco event with New York Times Magazine reporter Liz Weil and Pediatric Endocrinologist Louise Greenspan.
- Deardorff, J.** (September 2011) *Evaluation of family based prevention programs: The importance of small theory*. Invited speaker, School of Public Health and School of Nursing, The University of Hong Kong.
- Deardorff, J.,** Boyce, W. T., Ellis, B. J. (August 2011). *Psychosocial factors, neurobiological reactivity, and pubertal outcomes*. Expert Panel, Centers for Disease Control (CDC) workshop, Identifying Opportunities for Cancer Prevention during Preadolescence and Adolescence.
- Deardorff, J.** (Fall 2010) *Sexual Values and Risky Sexual Behaviors among Latino Youth*. Invited speaker at the Adolescent and Young Adult Health Leadership Colloquium: Focus on Health Disparities, sponsored by the Nursing Leadership in Adolescent and Young Adult Health Program, a training program sponsored by the HRSA MCHB (Grant T80MC09654); UCSF, San Francisco, CA
- Deardorff, J.** (Spring 2010) *"It just happened": Managing teens' behavioral and mental health care needs in a reproductive health care setting*. Keynote speaker at the Alameda County workshop for health educators.
- Hiatt, R. A., **Deardorff, J.**, Miller, S., Fang, C., Yen, I., Galvez, M., Braithwaite, D., Rehkopf, D., & Stewart, S. (November 2009). *Pathways from the Social Environment through Psychosocial Factors and Biology*. Invited presentations at the Breast Cancer and the Environment Research Centers, Annual Meeting, Sausalito, CA.
- Deardorff, J.** (July 2008). *Young Latinas, Pubertal Timing and Cancer Risk*. Invited presentation at the Latinas Contra Cancer National Latino Cancer Summit, San Francisco, CA.
- Deardorff, J.** (November 2007). *Psychosocial factors and puberty: Baseline descriptives*. Breast Cancer and the Environment Research Centers, Annual Meeting. NCI/NIEHS. Cincinnati, OH.
- Deardorff, J.** (2007). *Psychosocial factors and puberty: Data analytic plans and publications*. Breast Cancer and the Environment Research Centers, Interim Meeting. NCI/NIEHS. Washington, DC.
- Deardorff, J.** (2007). *Puberty and stress: the mind-body connection*. Epidemiology panel at the Zero Breast Cancer 2007 Community Forum: Communities Coming Together to Understand Girls' Development during Puberty. San Francisco, CA.

## Students Mentored

### UC Berkeley

#### Undergraduate students

- 2017 – 2018 Nhi Tran, Rafael Gomez-Carrasco, Research Assistants with Kelly Johnson, grad student
- 2016 – 2017 Nina Djukic, Lizari Garcia, Lara Rostomian, Research Assistants, CHAMACOS
- 2015 – 2017 Ernesto Rivera (URAP), Research Assistant, CHAMACOS
- 2015 – 2016 Tina Diep, Research Assistant, CHAMACOS
- 2014 – 2016 Leeann Bui, Research Assistant, CHAMACOS
- 2014 – 2015 June Yoo, Research Assistant, CHAMACOS

Riya Singh (URAP)  
 Austin Marshall (URAP)  
 2013 Jessica Carranza, McNair Scholar, Secondary Advisor  
 2012 Adrian Sanchez, McNair Scholar, Primary Advisor  
 2010 – 2011 Sannaz Keyhani, undergrad honors thesis, primary reader and advisor (Psychology)  
 2009 – 2010 Cristina Vargas, undergraduate honors thesis, second reader (Social Welfare)  
 Summer 2009 Ana Arzate, undergraduate at Contra Costa CC, through UC Berkeley's Transfer Alliance Program, TAP (Deardorff, Advisor; SPH)

Masters students

2019 – 2020 Daniel Salas, advisor, MPH (MCH)  
 Jessica Ross, advisor, MPH (MCH)  
 Zelle Huma, Comprehensive Examination, chair, MPH (MCH)  
 Sasha Tilles, Comprehensive Examination, chair, MPH (MCH)  
 Nina Oberman, Comprehensive Examination, chair, MPH (MCH)  
 2017 – 2018 Ann Soliday, Comprehensive Examination, chair, MPH (MCH)  
 Sophie Lyons, Comprehensive Examination, chair, MPH (MCH)  
 Allison Rodriguez, Comprehensive Examination, chair, MPH (MCH)  
 Lauren Caton, Comprehensive Examination, chair, MPH (MCH)  
 Rena Wang, Comprehensive Examination, chair, MPH (MCH)  
 Desmond Kispert-Bostick, Comprehensive Examination, chair, MPH (MCH)  
 Holly Nishimura, advisor, MPH (MCH)  
 Cheralynn Corsack, advisor, MPH (MCH)  
 Elizabeth Ly, advisor, MPH (MCH)  
 Hua Hsuan (Allison) Liu, advisor, MPH (MCH)  
 2016 – 2017 Olivia Sanchez, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Victoria Cerda, Comprehensive Examination, chair, MPH (MCH)  
 Natalie Oman, Comprehensive Examination, chair, MPH (MCH)  
 2015 – 2017 Claudia Zaugg, Comprehensive Examination, chair, MPH (MCH)  
 2015 – 2016 Elizabeth Johns, Thesis, reader, MS (JMP)  
 2014 – 2016 Yves-Yvette Young, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Stacey Yamamoto, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Stephanie Arteaga, advisor and Comprehensive Examination, chair, MPH (MCH)  
 2014 – 2015 Daniel Herrador, Thesis, reader, MS (Joint Medical Program)  
 2013 – 2015 Abigail Gutmann-Gonzales, advisor, MPH (MCH)  
 Margot Zipperstein, advisor, MPH (MCH)  
 Jill Eversole, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Lesley Shya Castillo, Comprehensive Exam, committee member, MPH (HSB)  
 2013 – 2014 Felisa Gonzales, outside member, MPH (Epidemiology)  
 Michael Bakal, Comprehensive Examination, chair, MPH (MCH)  
 Lauren Villa, Comprehensive Examination, chair, MPH (MCH)  
 Sami Newlan, Comprehensive Examination, outside member, MPH (Epidemiology)  
 2012 – 2014 Kacy Peek, Thesis, reader, MS (Joint Medical Program)  
 2012 – 2013 Jayme Mulke, Thesis, reader, MS (Joint Medical Program)  
 Andrea Hunneus, Comprehensive Examination, reader, MPH (MCH)  
 Angelica Salinas, Comprehensive Examination, reader, MPH (MCH)  
 Kyle Engelman, Comprehensive Examination, chair, MPH (MCH)  
 Emily Murphy, Comprehensive Examination, chair, MPH (MCH)

- 2011 – 2013 Monica Barr, advisor, MPH (MCH)
- 2011 – 2012 Anna Loeb, Comprehensive Examination, chair, MPH (MCH)  
 Aviva Lipkowitz, Comprehensive Examination, chair, MPH (MCH)  
 Miranda Walker, Comprehensive Examination, reader, MPH (MCH)  
 Jen Clarke, Comprehensive Examination, reader, MPH (MCH)  
 Catherine Lewis, Comprehensive Examination, reader, MPH (HSB)
- 2010 – 2012 Brett Augspurger, advisor and Comprehensive Examination, chair MPH (MCH)  
 Margot Brown, Thesis, reader, MS (Joint Medical Program)  
 Rachel Berry-Millett, Thesis, reader, MS (Joint Medical Program)
- 2010 – 2011 Christopher Vercammen-Grandjean, Thesis, reader, MS (Joint Medical Program)  
 Aarti Kale, MD, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Laura Sherwood, Comprehensive Examination, chair, MPH (MCH)
- 2009 – 2011 Emily Hendrick, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Jocelyn Whitson, advisor, MPH (MCH)  
 Hannah Sheehy, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Sarah Kagan, Comprehensive Examination, chair, MPH (MCH)  
 Lauren Lessard, Comprehensive Examination, chair, MPH (MCH)
- 2009 – 2010 Maria-Elena Young, Comprehensive Examination, chair, MPH (MCH)  
 Sunny Bai, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Hatav Khademi, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Genessa Trietsch, Comprehensive Examination, reader, MPH (SW-HSB)  
 Molly Fyfe, Comprehensive Examination, reader, MPH (HSB)
- 2008 – 2010 Kate Stearns, advisor and Comprehensive Examination, chair, MPH (MCH)  
 Liz Cretti, advisor, MPH (MCH)
- 2008 – 2009 Lindsay Medema, Comprehensive Examination, chair, MPH (MCH)  
 Heather Jacobs, Comprehensive Examination, chair, MPH (MCH)  
 Angela Chen, Comprehensive Examination, chair, MPH (MCH)  
 Sara Wolfowitz, Comprehensive Examination, reader, MPH (MCH)

#### Doctoral students

- 2017 – now Sabrina Boyce, *Mentor and Supervisor*, PhD, Epidemiology (successful NIH F31 applicant)
- 2017 – 2019 Diana Pacheco Montoya, *Outside Member*, Comprehensive Oral Examination and Dissertation, PhD, Education.
- 2017 – 2018 Helen Pitchik, *Outside Member*, Comprehensive Oral Examination, PhD, Epidemiology.  
 Lauren Harris, *Outside Member*, Comprehensive Oral Examination, PhD, Health Policy.  
 Laura Brignone, *Outside Member*, Comprehensive Oral Examination and Dissertation, PhD, Social Welfare.
- 2016 – 2017 Hoda Magid, *Outside Member*, Comprehensive Oral Examination, PhD, Epidemiology.
- 2015 – now Zuhra Teja, *Outside Member*, Comprehensive Oral Examination and Dissertation, PhD, Education.  
 Rachel Gartner, *Outside Member*, Comprehensive Oral Examination and Dissertation committee, PhD, Social Welfare.
- 2015 – 2018 Kelly Johnson, *Member* Comprehensive Oral Examination and *Chair* of Dissertation committee, DrPH.  
 Kalechi Uwaezuoke, *Chair* Comprehensive Oral Examination and *Member* of Dissertation committee, DrPH.
- 2013 – 2018 Carlos Penilla, *Chair* Comprehensive Oral Examination committee and *Inside Member* Dissertation committee, DrPH

- 2010 – 2018 Norah Ojeda, *Chair* Comprehensive Oral Examination and *Member* of Dissertation committee, DrPH
- 2015 – 2017 Leena Singh, *Member* Comprehensive Oral Examination, DrPH and *Chair* of Dissertation committee, DrPH.  
Deb Karasek, *Outside Member*, Comprehensive Oral Examination and Dissertation committee, PhD, Epidemiology.
- 2014 – 2017 Summer Starling, *Chair* Dissertation committee, DrPH
- 2013 – 2017 Rose Katagawa, *Outside member*, Comprehensive Oral Examination committee and Dissertation committee, PhD Epidemiology.
- 2013 – 2015 Irene Headen, *Outside member*, Dissertation committee, PhD Epidemiology.  
Maya Guendelman, *Outside Member*, Comprehensive Oral Examination committee and dissertation committee, PhD Psychology
- 2013-2015 Lauren Asarnow, *Outside member*, Comprehensive Exam and Dissertation committee, PhD Psychology.  
Bryn King, *Outside member*, Dissertation, PhD Social Welfare  
April Falconi, *Outside member*, Comprehensive Oral Examination committee and Dissertation, PhD Health Policy (formerly: Health Services and Policy Analysis).
- 2012 – 2014 Evan Gonzales, *Member* Comprehensive Oral Examination, DrPH and *Chair of* Dissertation committee, DrPH  
Sara Marques, *Co-chair* Comprehensive Oral Examination and Dissertation committee, DrPH  
Sonia Navani, *Member* Comprehensive Oral Examination and *Chair of* Dissertation committee, DrPH
- 2012 – 2013 Erica Lee, *Outside Member* Dissertation Committee, PhD Psychology  
Julia Marcus, *Outside member* Comprehensive Oral Examination and dissertation committee, PhD Epidemiology.
- 2011 – 2013 Ahna Suleiman, *Chair* Comprehensive Oral Examination and *Member* of Dissertation committee, DrPH.  
Alix Lutnick, *Outside member* Comprehensive Oral Examination and Dissertation committees, PhD Social Welfare  
Nancy Berglas, *Member* Comprehensive Oral Examination committee and Dissertation committee, DrPH  
Benjamin Chaffee, *Outside member* Comprehensive Oral Examination and Dissertation committees, PhD Epidemiology.
- 2011 – 2012 Reiko Boyd, *Outside member*, Comprehensive Oral Examination committee, PhD Social Welfare
- 2010 – 2012 Alina Engelman, *Chair* Dissertation committee and *member* of Comprehensive Oral Examination committee, DrPH
- 2010 – 2012 Kate Kaplan, *Outside member* Qualifying Exam and Dissertation committee, PhD Psychology
- 2010 – 2011 Brian Tate Guelzow, *Outside member* Dissertation committee, PhD Psychology
- 2009 – 2010 William Brown, *Member* Dissertation committee, DrPH

#### Predoctoral Fellows

- 2012 Amber Allison, UCSF predoctoral summer advisee

#### Postdoctoral Fellows, Research Scientists

- 2017 – 2019 Rebecca Reno, postdoctoral scholar on MCHB Center of Excellence Grant
- 2015 – 2017 Sarah Reynolds, previous postdoctoral scholar and current Research Scientist, K awardee
- 2014 – 2017 Megan Johnson, postdoctoral scholar on NIDA R01, transitioned to Research Scientist in 2017

- Will Martinez, postdoctoral scholar, recipient of NIH diversity supplement to Deardorff R01  
 Jacqueline Torres, RWJ Health and Society Scholar, UCB-UCSF  
 2013 – 2015 Lindsay Hoyt, RWJ Health and Society Scholar, UCB-UCSF  
 2011 – 2016 Ai Kubo, Research Scientist, Kaiser Permanente Division of Research (K awardee)

#### UC San Francisco

- 2008 Elinor Hansotte, summer undergrad intern, pre-med at Indiana University.  
 2004 – 2006 Jacinta Jiminez, PhD, Stanford-PGSP Dissertation Committee Member, currently at UCSD  
 2004 – 2006 Jennifer Becnel, Mentor for thesis at SFSU, PhD currently in progress at ASU  
 2005 Anita Vergas, UCSF Summer Pediatric Internship Mentor, BS in progress at UCSD

#### Clinical Practice and Supervision

- 2007 –2012 *Psychologist, UCSF New Generation Health Center*, screening and referral services for a teen reproductive health clinic in the Mission District in San Francisco.  
 2008 – 2010 *Clinical supervisor* for licensure, Nicki Bush, postdoctoral PhD  
 2003 – 2004 *Clinical intern, Lucile Packard Children’s Hospital at Stanford and Children’s Health Council*, Palo Alto

### Service

### **Consulting**

- 2018 – 2021 *Advisory Board Member*, Peer Health Exchange Demonstration Project, Multisite.
- 2015 – 2020 *Evaluation consultant*, Masonic Center for Youth and Families, Masonic Homes of California.
- 2011 – 2013 *Consultant and guest speaker*, assisting in development and implementation of, and served as a guest speaker for, the CYGNET Youth Advisory Board, Kaiser Division of Research and Zero Breast Cancer.
- 2011 – 2012 *Evaluation Consultant*, providing pro bono evaluation services to Africa Health Net, for surveying water sanitation issues and malaria prevention in Ghana.
- 2010 – 2012 *Methods Consultant*, University of Hong Kong, School of Public Health.
- 2011 – 2012 *Methods consultant and invited guest speaker*, School of Public Health and School of Nursing, The University of Hong Kong.
- 2010 – 2011 *Consultant*, Literature Review of Social Media Usage and Youth, Zero Breast Cancer, San Rafael, CA.
- 2009 *Consultant* for focus group development and evaluation, Dissemination of Children's

- Individual Biomarker Results to Families, Zero Breast Cancer, San Rafael, CA, CA Dept of Public Health, UC Berkeley, Kaiser Permanente Division of Research.
- 2007 – 2008 *Consultant*, Program and Grant Development for Adolescent Breast Cancer Prevention, Zero Breast Cancer, San Rafael, CA.
- 2007 *Evaluation consultant, youth program development and evaluation*, Instituto Familiar de la Raza, San Francisco, California
- 1998 – 2002 *Evaluation and grant consultant*, Arizona Shelter Services, Phoenix
- 1998 – 2001 *Evaluation consultant for youth program development and evaluation*, New York and Phoenix Youth At Risk

### **Service to the Community**

- Oct 2015 The New Puberty presentation at *WOW Mom's Summit*, San Diego, CA.
- 2014 – 2015 Guest presentations with Q & A to numerous schools in the Bay Area:  
 Brandeis  
 Pacifica School District, CA  
 Convent of the Sacred Heart, San Francisco, CA  
 Gardner Bullis Elementary School, Los Altos, CA  
 Edison School, San Francisco, CA  
 SF University High School, San Francisco, CA
- 2009 – 2010 *Team Member, Dissemination of Individual Biomarker Results to Community*, Kaiser Division of Research, Zero Breast Cancer, CA Department of Public Health
- 2006 – 2009 *Scientific Presentations, Community Tea Talks*, Zero Breast Cancer, SF Bay Area
- 1998 – 2000 *Counselor*, Arizona Shelter Services, Phoenix
- 1993 – 1995 *Peace Corps Volunteer*, Pitsanuloke, Thailand

### **Service to the Campus and School**

#### UC cross-campus

- 2016, 2017 *Reviewer*, UC Consortium on Developmental Science, seed grants

#### UC Berkeley

##### UC Berkeley Campus:

- 2019 – now *Committee Member*, Committee on Diversity, Equity, and Campus Climate (DECC)
- 2018 *Member*, Ad hoc committee for promotion to Associate Professor (campus)
- 2017 *Member*, Ad hoc committee for midcareer promotion review (School of Social Welfare)
- 2014 – 2017 URAP research mentor (5 undergraduate students)
- 2014 Grant review, Chile-UCB seed grants, Center for Latin American Studies, UC Berkeley
- 2012 – 2013 *Mentor*, McNair Scholars program, campus service.
- Summer 2009 *Mentor*, TAP program, campus wide program for underserved undergraduates who are seeking admittance to 4-year universities, University of California, Berkeley

##### School of Public Health:

- 2020 Spring *Interim Faculty Sponsor*, CHE, undergrad student organization.
- 2019 – now *Equity Advisor*, School of Public Health
- 2019 – now *Member*, *Educational Policy and Curriculum Committee*, School of Public Health, University of California, Berkeley. Subcommittee: Quantitative Training at the SPH
- 2018 *Search Committee Chair*, Assistant Professor-In-Residence position, Maternal and Child Health program, Community Health Sciences Division

2018 *Equity Advisor*, Search Committee, Assistant Professor-In-Residence position, Maternal and Child Health program, Community Health Sciences Division

2017 – 2018 *Interim Equity Advisor*, School of Public Health

2017 – 2018 *Equity Advisor*, Health Policy PhD program admissions committee

2017 – now *Program Head*, Maternal, Child and Adolescent Health (MCAH) program (on sabbatical 2018-2019)

2016 – now *Member*, LOHP Academic Advisory Committee, School of Public Health

2016 – 2018 *Chair*, *Educational Policy and Curriculum Committee*, School of Public Health, University of California, Berkeley.

2009 – 2016 *Member*, *Curriculum Committee*, School of Public Health, University of California, Berkeley; Changed to *Education Policy and Curriculum Committee (EPCC)* with augmented responsibilities in 2014.

2015 – 2016 *Member*, Curriculum Mapping Subcommittee, SPH

2015 – now *Member*, MCHB postdoctoral training program, selection committee, SPH.

2015 – 2016 *Founding Member*, Wallace MCAH Research Center Planning Committee.

2014 – 2016 *Elected Member*, Faculty Advisory Committee (FAC), School of Public Health.

2015 *Reviewer*, Gary K. Stewart Memorial Prize, Undergrad and graduate students' papers.

2015 *Chair*, Ad-hoc Committee for PhD program development, CHHD, SPH.

2014 – 2015 *Co-leader* (with Kris Madsen) of Strategic Planning Education Subcommittee SPH.

2014 – 2015 *Member*, SPH student funding committee.

2014 – 2015 *Member*, Communications Advisory Board, SPH.

2014 – 2016 *Ad hoc admissions review*, *DrPH program*, School of Public Health.

2013 – 2016 *Member*, *Committee on Teaching Excellence*, School of Public Health.

2011 – 2013 *Elected Member*, Faculty Advisory Committee (FAC), School of Public Health

2012 – 2016 *Ad hoc admissions review*, On-campus/Online Professional MPH Program (OOMPH), School of Public Health

2011 *Member*, ad hoc committee to appoint the Henry J. Kaiser Endowed Chair in Organized Delivery Systems.

2011 *Member*, School of Public Health Task Force for proposed joint MPH program between UCB and UCSF.

2010 – 2011 *Faculty Search Committee*, *Member*, Public Health Nutrition program, School of Public Health.

2009 – now *Member*, *Admissions Committee*, Maternal and Child Health Program, School of Public Health, University of California, Berkeley

#### UC San Francisco

2007 – 2008 *Member*, *Green Workplace Committee*, Department of Epidemiology and Biostatistics, University of California, San Francisco

2007 *Member*, *UCSF-Community Evaluation Partnership Working Group*, San Francisco, California

2007 *Member*, *Staff Recognition Awards Selection Committee*, Department of Epidemiology and Biostatistics, University of California, San Francisco

#### Service to Scientific and Scholarly Organizations

Sept – Oct 2019 *Invited Expert Reviewer*, *National Academies of Sciences, Engineering, and Medicine*, Consensus Report, *Promoting Positive Adolescent Health Behaviors and Outcomes: Thriving in the 21<sup>st</sup> Century*

2015 – 2021 *Nominated Standing Member*, *NIH Scientific Peer Review*, Psychosocial Development,

2018	Risk and Prevention (PDRP) study group (2 meetings per year for 6 years). <i>Ad-hoc Reviewer</i> , WT Grant Foundation, Reducing Inequality Program grant proposal (1 application, two rounds).
2017	<i>Ad-hoc Reviewer</i> , Mount Sinai School of Medicine, pilot grant program (1 application).
2016 – now	<i>Ad-hoc Reviewer</i> , UC Consortium for Developmental Science of Adolescence, seed grant funds (approx. 4-6 applications annually).
2010 – 2017	<i>Faculty affiliate and mentor</i> , Robert Wood Johnson Health and Society Scholars Program, UCSF and UC Berkeley joint program (primary mentor for two scholars)
2013 – 2014	<i>Ad-hoc reviewer</i> , NIH Scientific Peer Review, Psychosocial Development, Risk and Prevention (PDRP) study group
Sept 2011 – now	NIH Loan Repayment Program, Ambassador. NIH Office of Extramural Programs.
September 2011	<i>Scientific Peer Review</i> , abstracts submitted for “Biological Processes and Evolutionary Perspectives” section of the 2012 Biennial Meeting of the Society for Research on Adolescence (SRA)
August 2011	<i>Presenter Expert Panel</i> , Centers for Disease Control workshop, <i>Identifying Opportunities for Cancer Prevention During Preadolescence and Adolescence</i>
Spring 2011	<i>Invited participant</i> . National Institute of Child Health and Human Development (NICHD) strategic planning workshop, <i>Visions, Environment</i> , to shape future NICHD objectives.
Fall 2010	<i>Scientific Peer Review</i> , abstracts submitted for the 2011 Annual Conference of the Society for Research on Educational Effectiveness in Washington DC
