HIRING A POSTDOCTORAL SCHOLAR

General Information and Definitions

Postdoctoral Scholar appointments are intended to provide a full-time training program of advanced academic preparation and research training under the mentorship of a faculty member or professional researcher. Annual review and ongoing mentorship are key and required components of PDS appointments.

A Postdoctoral Scholar appointee is someone who has a Ph.D. or equivalent conferred within the last 5 years and who has never held a faculty appointment.

A Foreign National is a non-US citizen and must have an appropriate Visa and employment authorization. Consult with your ProS HR Partner or Generalist (HR) on Visa-related matters.
